

Opportunities Abound! Sweat Equity Needed!

One of the truly great things about Herron Island is how our members volunteer their talents to keep expenses to a minimum. Here are some of this year's opportunities.

- Mainland Bus Shed: Roof needs cleaning/pressure washing.
- Mainland Waiting Shed: Needs a full paint job. HMC will provide paint.
- Pump House Painting: Needs new paint job; preferably before July 10.
- Message Centers: These glass front boxes need to be replaced, due to weathering and vandalism. If you can do a little carpentry, let the office know. HMC can pay for materials if you donate your talents. Let's discuss dimensions before you begin?

Call 253-884-9350 or email hmcmanager@herronisland.org. .
