

HERRON ISLAND EMERGENCY PREPAREDNESS COMMITTEE MEETING

May 12 AT 12:30 IN THE COMMUNITY CENTER

Pierce County Neighborhood Emergency Teams (PC-NET) has provided “Out-of-Area” Contact Cards and we have plenty to distribute. Come get yours and take several to hand out to friends and family.

We are still working toward beefing up our Supply Cabinet. Several good suggestions have come in. Please join us and bring your recommendations.

See you there!
