President's Message

Aloha Herron Islanders!

I hope you are all doing well and enjoying the Summer. The busiest weekend for the island has come and gone which comes as a relief to many. As usual, there were a few snags and some poor choices were made, but no one had to call for Fire, EMS, or the Sheriff so I'm going to call the festivities a success!

The July Board Meeting was a "first" in many ways; first in-person meeting in over a year, first blended with remote attendees, and first official meeting with the new board members. I was very pleased with the turnout and hope the meetings continue to be positive and well-received. I enjoyed the opportunity to put a face to some names. We even managed to recruit some potential volunteers for committees, which is very difficult with remote meetings.

We, the Board, plan to outline some realistic goals for the upcoming year at the August meeting. It's too early to give you a hint because, as you artists know, ideas often change once you start to making them tangible, so stay tuned!

Volunteerism

"Thanks to our volunteers." It's easy to overlook this phrase if you read it all the time, but volunteers save the island thousands of dollars every year. Volunteering is a great way to get to know your neighbors. If you are looking for volunteer opportunities, contact the Island Manager, Board members, or a Committee Chairperson.

I would like to thank everyone who has donated their time to improving Herron Island. If I named everyone deserving of thanks, there wouldn't be much room in the Beachcomber for anything else. I'd especially like to thank the people who counted and validated our ballots for the elections last month and for the

budget vote this month. You know who you are, thank you very much!

I would also like to echo the Island Manager's thanks to Ken Freeman, who, after almost 20 years, is passing the torch from his duties as the HI webmaster and editor of the Beachcomber. I never met you, Ken, but thanks a million!

Questions?

If you have questions about anything related to HMC business, please call the office, send an email to Members Input, the island manager, or Board members. If you send it to the wrong person, we'll forward your message to the right one.

Until next month.

Ferry Business

- Call ahead if you are planning to use the ferry for a trailer, boat, or large vehicle!
- Only those guests with valid passes will be allowed on the ferry.
- Plan your arrival at the dock at least 5 minutes before the scheduled time of departure.
- Walks-ons are not to be on the dock or ramp when cars are being loaded. Watch crew for permission to board.
- Only service and delivery people may charge fares.

WE HAVE EXPERIENCED GUESTS AND SERVICE PEOPLE EXPECTING TO COME OVER TO THE ISLAND WITHOUT GUEST PASSES. THIS VIOLATES THE ACCESS POLICY THAT WAS PUT IN PLACE FOR ALL OF OUR SECURITY. PLEASE MAKE SURE YOUR GUEST HAS A VALID GUEST PASS SIGNED BY YOU TO ENSURE THEY ARE ABLE TO RIDE THE FERRY. BLANK GUEST PASSES ARE AVAILABLE TO MEMBERS AT THE OFFICE, BY MAIL, AND ON THE FERRY.

Nondiscrimination Statement

If you wish to file a Civil Rights complaint of discrimination, complete the USDA Program Discrimination Complaint form, found online at:

Paid advertisements are to be arranged with the HMC office PRIOR TO PUBLICATION.

BOOSTERS

Greetings!

A huge thank you to all the fabulous volunteers who worked so hard to make the 4th of July such a great event! Without you, events like this would not be possible. So once again, thank you!!!

The Boosters will be hosting a potluck dinner on Saturday, July 17, at 5:00, followed by a meeting at 6:00 at the Community Center. It has been a long time since we have been able to gather together to break bread, socialize, and talk about future events and projects. We are all really looking forward to it.

Our next scheduled event is going to be an Arts Festival on Saturday, August 14th, following the HMC Board meeting, around noon. This event is going to be very family friendly and a lot of fun. We will also be discussing Labor Day Weekend activities, on-going projects and considering new proposed projects.

Stay tuned for further announcements as details emerge. We are still gathering email addresses for those of you who would like to receive notifications of upcoming Boosters events. Please contact Robin Kelly at 253-884-1883, robin.kelly712@gmail.com, or you can private message on Facebook if you would like to be added to the list

In the meantime, stay safe, healthy, and enjoy the cooler weather! I hear the water is bioluminescent, so a nice stroll along the shores after dark or a late-night kayak paddle might be fun.

Herron Island Emergency Preparedness

Summertime = Fire Season

It is getting to be that time of year with little rain and dryer grasses and trees.

Walk your property and clean up downed/broken tree limbs and keep your grass mowed to help prevent the spread of wildfire on the island.

Create that 30' clean zone around your house.

Protect your home.

- Keep your roof and gutters clean of debris.
- Cover crawl spaces, soffits and eve vents with 1/8 **metal** mesh to keep out embers.
- Decks, Keep the gaps between deck boards clean of debris. Embers smolder longer.
- Do not store combustible material below them.

Wildfire Smoke

At Home:

- To limit your time outdoors, stock up on necessities like food, medications, and other items you may need for your family.
- A high-efficiency HEPA filter used in your air cleaner or HVAC system can help keep your indoor air clean.
- You can also make a filter fan to help clean your indoor air. All you need is a box fan, furnace filter (MERV-13 or better), and a bungee cord or tape. [Step-by-step instructions here.](#)
- Designate a room in your home to be a “clean room.” This room should have as few windows or doors as possible, or they should be closed, to keep smoke out. Use an indoor air cleaner or filter fan to make the room even cleaner. [Find out more here.](#)
- If you have an air conditioner, close the fresh air intake if available so you can keep smoky air out of your home.

Boarding the Ferry Safely

It is the start of the busy season for Herron Islanders and their guests. Please do your part to make it a safe one.

As you begin down the ramps pay particular attention so that you do not have any mishaps on the ramp rails or when turning to load on an outside lane. The crew will point to the lane you should be in and guide by indicating if you need to move a little left, or right. The ultimate responsibility for safely loading your vehicle is in your hands.

Please review the last page of the ferry schedule for additional rules. These are required for all passengers. More notably are:

- Guest passes not completely filled out will not be taken causing the holder to wait for boarding, potentially on the next ferry run.
- One car on the ramp at a time.
- Do not leave ramp until motioned onboard by the crew
- Speed limit on the ramps and ferry is 5 mph.
- Turn off the engine and set parking brake once loaded.
- Do not start the engine until guided by the crew.
- Turn off all vehicle lights while on the pier, ramp, or ferry; loading or unloading. Lights make it difficult for the crew to see.

The ferry is governed by the United States Coast Guard and the Master of the Vessel (the Captain) is in charge at all times. If you are not paying attention to the rules and guidance in the policies, or the signs on the ferry the crew will direct you to pay attention. There is no time to challenge the crew, if you wish to report a problem please email the Island Manager at hmcmanager@herronisland.org.

The ferry crew's instructions must be followed at all times. In the captain's sole discretion, driver's or passenger's behavior may prevent him or her from boarding the ferry or cause him or her to be removed from the ferry. The captain may choose to contact the Sheriff's Department for assistance.

Drivers may not use cell phones while loading or unloading. Alcohol, cigarettes, vapes, and similar products may not be used on the ramps or on board the ferry. Vehicle drivers and passengers must remain inside their vehicle while vehicles are loading or unloading from the ferry. They must return to their vehicles prior to docking. The same rule applies to motorcycle riders and passengers.

Thank you for your attention and cooperation.

It's Tansy Time!

Summer is here, bringing with it warmer days, a beautiful array of new flowers, and... weeds.

One especially wicked noxious weed, *Tansy Ragwort*, has made Herron Island its home. Each plant produces 150,000 + seeds and colonizes rapidly. The effort and cooperation made by Herron Island property owners in the control of Tansy Ragwort has steadily increased, and we are making progress!

Field Inspectors from the **Pierce County Noxious Weed Control Board** will **begin making routine inspections on the Island towards the end of June.**

If Tansy Ragwort plants are discovered on your property, please eradicate them as soon as possible. For any questions concerning Tansy Ragwort, control methods, a list of herbicide spray professionals, or compliance with the Noxious Weed Laws, please call the County office at 253-798-7263; or leave a message with the Pierce County Field Inspector at 253-798-6844.

There is a homemade and environmentally friendly way to eradicate Tansy yourself by mixing the following ingredients and spraying the tansy growth. You'll see results in a matter of hours!

1 Gallon Vinegar
2 cups Epson Salt
1/4 Cup Dawn Dish Soap

Just mix and keep some in a small spray bottle. Spray in the morning after the dew has evaporated. Walk away and after dinner the weeds are gone. It will kill anything you spray it on.

New to Herron Island?

Welcome! We encourage you to meet your neighbors and get involved in island events and activities. Purchase a copy of the HI Boosters Directory (\$5) from Robin Kelly at d_kelly@centurylink.net and find your neighbors close by. Stop and say hello when you're out and about. The folks around here are very friendly and will always wave even if they don't know you.

Your neighbors can help you with obtaining off-island services such as trash collection, propane servicing, or obtaining a mailbox on the mainland. Did you know that being a walk-on passenger to the mainland to collect your mail is free of charge?. The ferry crew calls that a "turnaround". No charge for "turnarounds" as long as you don't leave the mainland parking lot.

Make sure you get your email address included on the island broadcast email list to receive important information about island issues. The office staff can help you with that. Send an email to them at office@herronisland.org and request to be included on the list.

Want to follow the ferry in real time? There's a GPS app for your laptop or mobile device that shows you where the ferry is and whether or not they are shuttling. Go to www.vesselfinder.com and search for Charlie Wells in the find vessel box.

Hauling a Trailer or Boat?

Call ahead to the ferry phone, 253-691-1457, and talk with Captain to ensure tides and load coincide.

Making this call does not indicate a reservation. The Ferry Access Policy states:

“HMC requires that a confirmed notification be made to the captain in advance to transport any combination (in-tow) of any length, and/or single vehicles longer than 25 feet. The notification must be confirmed by the captain. The captain’s phone number is 253-691-1457. The captain cannot guarantee that you will be able to board the ferry at the time requested.”

With heavy increases of trailers and large vehicles to Herron Island it is necessary for the crew to manage the loading as they see fit and shuttle to accommodate as needed. Note, getting to the ferry early for your crossing with a towed trailer/boat is your best chance of getting on the ferry run you hope to be on.

For service providers, they must get to the ferry early to get on the run they need. Many times these providers drive up at the last minute and end up waiting, or leaving. Please ensure they have instructions from you, they call ahead to the captain and have a ferry pass that is filled out.

A red and white "FOR SALE" sign on a wooden post.

Members Hiring Realtors on Herron Island

Any member hiring a realtor to sell their property must be aware of the risk of placing a real estate sign anywhere near a water meter. When placing signage for properties that are for sale, it is very important to be aware of where there may be underground utilities. During the recent ditch clearing, we noted two incidences where realtors have placed signage within inches of water and electrical lines. For example, if a water line is damaged, it would require turning the water off at the water main and impacting several properties until the damage has been addressed. If a significant repair is needed this may mean that people will not have water service for days. The best choice would be to call 811 (utility locators) before you dig. Members will be held liable for any damage to HMC water meters or surrounding pipe.
