

Roads Committee Minutes 8/7/2018

Present: Mike Graham, Charles Smith, Gary Wanzong, and Jane Wooster.

1) **Asphalt - Ferry Hill Road:** The Committee still needs a few volunteers to help direct traffic August 15 & 16th during ferry operations while work is done Ferry Hill Road. Volunteers are requested to contact the committee at HMCRoads@HerronIsland.org.

2) **Gravel bins:** Vegetation has been cleared. Contractor needed to move beams.

3) **Ditch Cleaning:** Roads again request that all members, who have not done so, to remove all grass from the roadway to the edge of the ditch and cut all vegetation within the ditch to less than 4 inches by September 1. The committee wants to thank all the members who have made an effort during the last 30 days to clear their ditches. Have located a contractor with the equipment to restoring our ditches. Contractor will visit island after September 1.

4) **Grading:** Roads has talked to two contractors who do road grading. Waiting on quotes. Would like to grade roads after September 8 and before ferry dry-dock. Roads will hold a work party on September 8 starting at 9:30 am. Please bring weed eaters and rakes. We will also need at least one pickup truck to haul cuttings. Maps have been created showing which area of the roads needs to be cut back prior to grading.

5) Received a complaint regarding a clogged catch basin. Will open and inspect.

6) Discussed drainage problems at Chapin property on East Herron Blvd.

A final comment, I would like to thank whoever has been cutting the grass along the roads around the island. Thank you very much. Every bit helps.

Mike Graham
Roads Committee Chairman
