President's Message

Happy May to You, the Herron Island community.

It's very encouraging that vaccinations are now readily available for us and our families. Children are starting to be eligible for shots. We feel optimistic that we have seen the worst of this difficult, life-changing pandemic.

I write with mixed emotions this time. As my service on the HMC Board and as your President comes to an end, it's time for the next Board and President to take over. Although there have been challenges, not the least of which is a world-wide pandemic, I have enjoyed my time on the Board. It's been rewarding to make new Herron Island friends through the experience. The every-day work of the HMC Board and our office staff has been an education. It's time for me to focus on my next personal challenge – building a retirement home near Olympia. My wife Laurie and I feel fortunate for the opportunity and slightly nervous too.

Regarding your Board of Directors, it's time for you to elect your next group of islanders to serve. There are four positions open. Fortunately, we have six members who have stepped forward to run. Their applications are included in this Beachcomber. Please

carefully review the information on each candidate and make an informed decision on which candidates you would like to see on the Board. A ballot will be mailed this month for you to complete. In order for your ballot to count, you must sign the mailing envelope. Your ballot must be received in the office by 10:00 am on Saturday, June 12.

Immediately after the regular HMC Board meeting on June 12 at 10:00 am, the Annual Special Membership Meeting will be held. Both meetings will be held via Zoom teleconference. You will be emailed instructions with a link and phone number for both meetings.

For your review in this month's Beachcomber is the proposed 2021-2022 HMC budget and fee schedule. The proposed budget represents months of hard work on the part of your Finance Committee. Please review the budget carefully to learn where your assessment dollars go. The proposed annual assessment is \$3,602, which is significantly higher than last year. We wish the assessment could be lower. Nearly 75% of the increase is needed to pay for last fall's expensive shipyard and to build reserves for the next shipyard in 2022. Our operating expenses – wages, insurance, taxes, fuel and routine maintenance all increased too. Later in June, you will receive another ballot in the mail asking for your vote to approve the budget.

President's Message (Continued from Page 1)

Kicking off the summer season, Memorial Day weekend will be here soon. It's always a fun weekend and a wonderful reminder that the season we all fondly look forward to - summer - is just around the corner. Please remember that Covid-19 is still with us and not everyone has been vaccinated yet. We ask that you continue to carefully follow health and safety guidelines.

I very much appreciated the opportunity to work on your behalf these past two years as HMC Board President. Like many, I suffer from "Optimism Bias", thinking I can accomplish more than is practically possible. Much of the last year was spent dealing with consequences of the pandemic and doing so without the opportunity for us all to meet in person. Hopefully, it won't be long before our Board and committee meetings can go back to being held in the community building.

From my perspective, the island has a few challenges ahead of us, many relating to our ferry. How do we manage the increasing demand for the ferry which results in more

shuttles and longer wait times? We are grateful to have the experienced ferry crew we have now. Can we continue to find qualified captains and crew who want to come to Herron Island? HMC is doing the best job it can to sustain the Charlie Wells ferry for as long as possible. Now over 30 years of age, how long will the Charlie Wells keep running? How do we pay for a new ferry? These are big issues that will affect us all and require significant community engagement.

The island is extraordinarily fortunate to have hard-working office staff, skilled ferry crew and dedicated volunteers. They all need and deserve your support. Your new HMC Board will also appreciate your help and encouragement.

All of us need to focus on the many wonderful things about life on Herron Island that we all share and benefit from. Only by working together can we address our collective challenges and keep Herron Island the special place we know it is.

Thank you for the opportunity to be of service these past two years. Reed

Ferry Business

- Call ahead if you are planning to use the ferry for a trailer, boat, or large vehicle!
- Only those guests with valid passes will be allowed on the ferry.
- Plan your arrival at the dock at least 5 minutes before the scheduled time of departure.
- Walks-ons are not to be on the dock or ramp when cars are being loaded. Watch crew for permission to board.
- Only service and delivery people may charge fares.

WE HAVE EXPERIENCED GUESTS AND SERVICE PEOPLE EXPECTING TO COME OVER TO THE ISLAND WITHOUT GUEST PASSES. THIS VIOLATES THE ACCESS POLICY THAT WAS PUT IN PLACE FOR ALL OF OUR SECURITY. PLEASE MAKE SURE YOUR GUEST HAS A VALID GUEST PASS SIGNED BY YOU TO ENSURE THEY ARE ABLE TO RIDE THE FERRY. BLANK GUEST PASSES ARE AVAILABLE TO MEMBERS AT THE OFFICE, BY MAIL, AND ON THE FERRY.

Nondiscrimination Statement

If you wish to file a Civil Rights complaint of discrimination, complete the USDA Program Discrimination Complaint form, found online at:

Island Manager Report May 8, 2021

Administration

- An interested member is working with the Beachcomber publication and will take this on as a volunteer.
- An interested member is working with the webmaster to transition as the new webmaster.
- USCG inspection was April 12, HMC had a clean inspection, thank you to all crew for being ready for the inspection.
- Mainland parking lot now has lanes have stanchions with numbers, painting will happen in the next two weeks. A photo with the lanes and further information will be posted on the website soon.
- Dan Morgan will be retiring from regular duty on the ferry as of May 24. You will still see Dan as he will be part of the standby crew going forward. HMC thanks Dan for all his hard work onboard over the years.
- There is a lot of Tansy growing on the island. It is the time of year to get it pulled up before the county comes out for inspection in latter part of June. Thank you to the walkers that pick it as they walk each day. Please see the article from the county concerning Tansy in the Beachcomber.

Small Boat Docks

- Boat Moorage – please note members may only park their boats for a maximum of 24-hours at the small boat docks. All boats must have boat decals available at no charge in the office. The docks are for members only.

Hipcamp

HMC is still reviewing this, however, please note the following links where individuals may report zoning and land use violations to Pierce County.

Island neighbors should address concerns directly with the homeowner. Anyone may research under Pierce County zoning, or other Pierce County ordinances. There is a lot to wade through as with all regulations. Pierce County Code Enforcement Reporting link

Small Boat Docks: Sherri Anderson – Installed and ready for Summer!

Thank you to all the Herron Island Member volunteers that make it possible for all of us to enjoy one of the benefits of living on this wonderful island, our Small Boat Docks. The preparation of the docks, walkway, and boat ramp along with the installation of the docks are now complete for the 2021 Summer.

The handrails on the walkway still need to be sealed/stained. I am looking for a volunteer that would like to take on this last task. Besides that, if we have missed anything, please let me know, so it can be addressed and fixed.

- Please contact Sherri Anderson if you can paint (stencil needed) the docks with the 24-hour moorage rule.

As you can see from the following that it takes a lot of volunteers to get this done; Arik Pierce, Bill Placek, Curt Haney, Dave Royer, Dave Scott, Doug Ringer, Ken Phillipson, Lonnie Kelly, Lou Blanco, Marty Chamberlin, Mike Shettlesworth, Mike Thynes, Sean Cline, Steve Rucker, Tracy Anspach. I would also like to thank Dianne DeGood, Alan DeGood, Carolyn Anspach, Robin Kelly, and the Boosters, who help provide coffee and food for this amazing crew. We were able to recruit some new faces this year so Thank You as your volunteerism is much appreciated.

Are You on the List?

**NOTICE OF SPECIAL MEMBERSHIP MEETING
OF HMC MANAGEMENT ON JUNE 12, 2021**

In the mail, you will be receiving a notice of the HMC Annual Special Membership Meeting to be held by teleconference on Saturday, June 12, 2021 following adjournment of the Regular Board Meeting, which will also be held by teleconference and will be called to order at 10:00 am.

Teleconference meeting participation information will be sent to Members by email.

On the agenda of the Special Membership Meeting is counting the votes on One (1) Ballot Proposition to Elect four (4) Board Candidates presented by the HMC Board of Directors.

Six candidates have applied and their applications are included for your review. You may also write-in candidates. This is your opportunity to vote for the candidates who you believe are best qualified to meet the needs of the Herron Island community.

Members may vote by mailing or delivering your ballot to the HMC Office so that they are received prior to the time of the Meeting.

If you are delivering your ballot in person, please insert the ballot through the slot in the HMC Office door by 10:00 am Saturday, June 12, 2021.

Follow the directions to sign the large return envelope containing your ballot. If the ballot is unsigned it will not be counted.

Ballots will be counted on June 12, and the results of the vote will be announced by email and posted on the Herron Island Website.

GOALS: Practice Transparency! Eradicate hypocrisy! Mingle with my constituents at the North Beach Fire Pit where truth prevails.

CANDIDATE'S OPINIONATED STATEMENT: The reason I am tossing my hat in the ring is hopefully my statements resonate with those HMC members who do not vote, attend board meetings or volunteer for many of the island's maintenance projects. The Island needs your vote. I believe many Islanders share my feelings. Join us in revitalizing the community.

As a retired Chief Marine Engineer with more than fifty years of service, I am most interested in the long-term reliability of the Charlie Wells. In my opinion, these past few years our lifeline to the mainland has been compromised by incompetent management. We are feeling the sting of shipyard cost overruns never seen in HMC history.

It is my desire to see island management placed in the hands of a "Management Company", a board supervised finance committee and a ferry operations committee.

Our current adversarial management team must be replaced.

2. School children of a Member in good standing coming off a school bus will be allowed to return to the island via the ferry as a walk on passenger at no charge. The ferry crew will log this as school kid (SK).

BOOSTERS

WELCOME TO HERRON ISLAND!

MAY EVERY MOMENT YOU SPEND ON THIS BEAUTIFUL ISLAND BRING YOU JOY AND HAPPINESS

The BOOSTERS are a self-supporting, community organization formed to foster community spirit and goodwill. We are well-organized, with a member-elected Board of Directors. All Herron Island members are welcome to enjoy and participate in all of the various Boosters-sponsored events and projects throughout the year. For more specific information, please visit the Herron Island website (herronisland.org) and click on the BOOSTERS tab for various links.

We plan many activities such as parades, baseball games, kayak and sail boat races, and more. We are also involved in other holiday celebrations and themed events. A very special Herron Island tradition is the Annual Thanksgiving Potluck Dinner, which is typically held on the second Saturday of November.

Many volunteer hours are spent annually assisting with projects that would otherwise have to be contracted out. This saves the island operational money and helps keep our assessments down. We provide snacks and lunches for volunteers working on projects around the island which are coordinated by HMC and/or BOOSTERS committees. Volunteering is very rewarding, greatly appreciated, and a wonderful way to make new friends--plus you [usually get a free meal!](#)

Planning for events happens at our monthly meetings, following a Boosters potluck dinner (usually held on the second Saturday of the month). All meetings and events are well-advertised on the HMC website calendar, Facebook (Herron Island and the Boosters pages), *The Beachcomber*, and the bulletin boards on the island (at the top of Ferry Street when coming off the ferry, and at the intersection of Madrona Blvd. and Maple Drive).

The Boosters coordinate the designing, ordering and selling of island merchandise, including clothing and other Herron Island-themed items. We also print an annual calendar featuring outstanding photographs submitted by the membership, and an island Member and Services Directory. Sales proceeds, along with member donations, are used to help maintain and enhance the beauty and well-being of this island. [If you would like to be included in the next printing of the Herron Island Member and Services Directory, please review and complete the form printed on the back.](#)

(PLEASE SEE REVERSE SIDE)

HERRON ISLAND MEMBER & SERVICES DIRECTORY

The Herron Island Boosters print a directory for use by island members only. Every effort is made to keep your personal information private, which is why an electronic version of the member information section of the directory is never made available to members or advertisers. Paid advertising helps cover the costs associated with the publication and helps members locate local businesses that value your business, but they are not given access to your personal information.

If you would like to be included in the next publication, please complete this form and submit your information via the BOOSTERS drop box located by the HMC Community Center side door. You may include as much or as little information as you choose. Please contact Robin Kelly at 253-884-1883 or robin.kelly712@gmail.com if you have any questions.

Our next Boosters Meeting will be held on Saturday, May 15th, at 11:00 a.m. at North Beach. Please bring your own lawn chair, wear a mask and respect the social distancing guidelines. We will be discussing current projects and Memorial Day activities, as well as planning more summertime and holiday events. Everyone is invited and encouraged to participate. We not only welcome, but depend upon your input.

We are also pleased to announce that there is now an updated Boosters Introduction Insert for the HMC Welcome Package, which has a multi-functional Herron Island Member and Services Directory form on the back. These documents can also be found on the Herron Island website under the Boosters tab and may be used to help keep your contact information up-to-date, as well as to sign up to receive Booster notifications via your email. A secure Boosters drop box is also being mounted outside the Community Center by the side entrance which will be checked at least once or twice a week by one of our awesome Boosters officers.

We are all really looking forward to being able to meet outdoors. The weather is so beautiful right now, but you might want to bring an umbrella...just in case!

Everyone is welcome!

It's Tansy Time!

Spring is here, bringing with it warmer days, a beautiful array of new flowers, and... weeds.

One especially wicked noxious weed, *Tansy Ragwort*, has made Herron Island its home. Each plant produces 150,000 + seeds and colonizes rapidly. The effort and cooperation made by Herron Island property owners in the control of Tansy Ragwort has steadily increased, and we are making progress!

Field Inspectors from the **Pierce County Noxious Weed Control Board** will **begin making routine inspections on the Island towards the end of June.**

If Tansy Ragwort plants are discovered on your property, please eradicate them as soon as possible. For any questions concerning Tansy Ragwort, control methods, a list of herbicide spray professionals, or compliance with the Noxious Weed Laws, please call the County office at 253-798-7263; or leave a message with the Pierce County Field Inspector at 253-798-6844.

There is a homemade and environmentally friendly way to eradicate Tansy yourself by mixing the following ingredients and spraying the tansy growth. You'll see results in a matter of hours!

1 Gallon Vinegar
2 cups Epson Salt
1/4 Cup Dawn Dish Soap

Just mix and keep some in a small spray bottle. Spray in the morning after the dew has evaporated. Walk away and after dinner the weeds are gone. It will kill anything you spray it on.

Small Boat Docks

Installed and ready for Summer!

Thank you to all the Herron Island Member volunteers that make it possible for all of us to enjoy one of the benefits of living on this wonderful island, our Small Boat Docks. The preparation of the docks, walkway, and boat ramp along with the installation of the docks are now complete for the 2021 Summer. There are few items that need to finish up but if we have missed anything, please let me know, so it can be addressed and fixed.

As you can see from the following that it takes a lot of volunteers to get this done; Arik Pierce, Bill Placek, Curt Haney, Dave Royer, Dave Scott, Doug Ringer, Ken Phillipson, Lonnie Kelly, Lou Blanco, Marty Chamberlin, Mike Shettlesworth, Mike Thynes, Sean Cline, Steve Rucker, Tracy Anspach. I would also like to thank Dianne DeGood, Alan DeGood, Carolyn Anspach, Robin Kelly, and the Boosters, who help provide coffee and food for this amazing crew. We were able to recruit some new faces this year so Thank You as your volunteerism is much appreciated.

THANK YOU!

Sherri Anderson, Small Boat Dock Chairman

Boarding the Ferry Safely

It is the start of the busy season for Herron Islanders and their guests. Please do your part to make it a safe one.

As you begin down the ramps pay particular attention so that you do not have any mishaps on the ramp rails or when turning to load on an outside side lane. The crew will point to the lane you should be in and guide by indicating if you need to move a little left, or right. The ultimate responsibility for safely loading your vehicle is in your hands.

Please review the last page of the ferry schedule for additional rules. These are required for all passengers. More notably are:

- Guest passes not completely filled out will not be taken causing the holder to wait for boarding, potentially on the next ferry run.
- One car on the ramp at a time.
- Do not leave ramp until motioned onboard by the crew.
- Speed limit on the ramps and ferry is 5 mph.
- Turn off the engine and set parking brake once loaded.
- Do not start the engine until guided by the crew.
- Turn off all vehicle lights while on the pier, ramp, or ferry; loading or unloading. Lights make it difficult for the crew to see.

The ferry is governed by the United States Coast Guard and the Master of the Vessel (the Captain) is in charge at all times. If you are not paying attention to the rules and guidance in the policies, or the signs on the ferry the crew will direct you to pay attention. There is no time to challenge the crew, if you wish to report a problem please email the Island Manager at hmcmanager@herronisland.org.

The ferry crew's instructions must be followed at all times. In the captain's sole discretion, driver's or passenger's behavior may prevent him or her from boarding the ferry or cause him or her to be removed from the ferry. The captain may choose to contact the Sheriff's Department for assistance.

Drivers may not use cell phones while boarding. Alcohol, cigarettes, vapes, and similar products may not be used on the ramps or on board the ferry. Vehicle drivers and passengers must remain inside their vehicle while vehicles are loading or unloading from the ferry. They must return to their vehicles prior to docking. The same rule applies to motorcycle riders and passengers.

Thank you for your attention and cooperation.

New to Herron Island?

Welcome! We encourage you to meet your neighbors and get involved in island events and activities. Purchase a copy of the HI Boosters Directory (\$5) from Robin Kelly at d_kelly@centurylink.net and find your neighbors close by. Stop and say hello when you're out and about. The folks around here are very friendly and will always wave even if they don't know you.

Your neighbors can help you with obtaining off-island services such as trash collection, propane servicing, or obtaining a mailbox on the mainland. Did you know that being a walk-on passenger to the mainland to collect your mail is free of charge?. The ferry crew calls that a "turnaround". No charge for "turnarounds" as long as you don't leave the mainland parking lot.

Make sure you get your email address included on the island broadcast email list to receive important information about island issues. The office staff can help you with that. Send an email to them at office@herronisland.org and request to be included on the list.

Want to follow the ferry in real time? There's a GPS app for your laptop or mobile device that shows you where the ferry is and whether or not they are shuttling. Go to www.vesselfinder.com and search for Charlie Wells in the find vessel box.

Hauling a Trailer or Boat?

Call ahead to the ferry phone, 253-691-1457, and talk with Captain to ensure tides and load coincide.

Making this call does not indicate a reservation. The Ferry Access Policy states:

“HMC requires that a confirmed notification be made to the captain in advance to transport any combination (in-tow) of any length, and/or single vehicles longer than 25 feet. The notification must be confirmed by the captain. The captain’s phone number is 253-691-1457. The captain cannot guarantee that you will be able to board the ferry at the time requested.”

With heavy increases of trailers and large vehicles to Herron Island it is necessary for the crew to manage the loading as they see fit and shuttle to accommodate as needed. Note, getting to the ferry early for your crossing with a towed trailer/boat is your best chance of getting on the ferry run you hope to be on.

For service providers, they must get to the ferry early to get on the run they need. Many times these providers drive up at the last minute and end up waiting, or leaving. Please ensure they have instructions from you, they call ahead to the captain and have a ferry pass that is filled out.

Members Hiring Realtors on Herron Island

Any member hiring a realtor to sell their property must be aware of the risk of placing a real estate sign anywhere near a water meter. When placing signage for properties that are for sale, it is very important to be aware of where there may be underground utilities. During the recent ditch clearing, we noted two incidences where realtors have placed signage within inches of water and electrical lines. For example, if a water line is damaged, it would require turning the water off at the water main and impacting several properties until the damage has been addressed. If a significant repair is needed this may mean that people will not have water service for days. The best choice would be to call 811 (utility locators) before you dig. Members will be held liable for any damage to HMC water meters or surrounding pipe.
