

Change in Winter Ferry Schedule

Last spring the Board authorized the extension of three summertime runs through the month of October. This was an experiment to see if these runs generated enough traffic and revenue to warrant a permanent increase in October, and March, ferry runs.

The test period has expired and the 7:30-8:00 a.m. runs on Saturday and Sunday, and the 2:30 - 3:00 run on Friday, will be cancelled as of November 1 (today) until HMC resumes the spring schedule April 1, 2016.

The Board will evaluate the actual experience of these added runs prior to making a decision to increase the number of runs in March and October.

Thank you.
