Treasurer's report: \$1953.62 - 4th of July Proceeds

\$2,075 Deposit including Change for sales NEW BALANCE AT Key Bank: \$8,676.09

Carla Vierra donated wine, vitamin water, and candy and gave these as thank you gifts to all the volunteers for installing the new back door and for 4th of July events. Thank you Carla for your generous donations and appreciation gifts.

OLD BUSINESS: The Storage Shed purchase was discussed. Designs and style were discussed and we all agreed to have it 10'x12' with a slant roof to the back side. A maximum of \$3,500 was voted on to be spent on the shed construction.

Some new equipment may be needed for the Baseball games. A score board was discussed along with the idea of benches for each team to sit on when they are up to bat. At this time a maximum of \$400 was voted to be spent on Baseball equipment.

Merry Kogut would like to add a few new items to the BOOSTERS APPAREL SALES. We discussed the lower attendance for the one remaining Labor Day Holiday and voted to approve \$300 for more purchases. Merry will try to find a way for customers to be able to pre-pay and make a special order if they want items we do not have in stock.

NEW BUSINESS; Tracy and Carolyn Anspach volunteered to be Chairman for the Duckie Race during one of the holiday weekends next year – 2014.

We all agreed to ask Tom Tighe about being the DJ for our Labor Day Dance. Judy and Carla will contact Tom and find out which night would work best for him.

Respectfully submitted: Judy Greinke Secretary
