Boosters' Meeting Minutes for May 15, 2021

President's Welcome – Robin Kelly welcomed all to the Boosters' Meeting at North Beach

Treasurer's Report – Lisa McCormick reported merchandise, paper goods and condiments for Memorial weekend have been purchased. A Boosters' drop box has also been purchased.

### Old Business

Kayak Racks – Need update

Mainland Waiting Sheds – Need update

### New Business

The new Boosters' drop box has been installed by the side door at the Community Center. A new welcome letter and contact form has been given to Carolyn at HMC office for use in the Herron Island Welcome Packet. Robin passed around a copy of the new welcome letter and form for all to read.

We reviewed the agenda for Memorial weekend activities using Leslie's notes.

Merry discussed merchandise sales and was asked if an inventory could be posted to the Herron Island website. The idea of posting a generic inventory to the Group Page on Face Book seems possible.

We briefly discussed 4<sup>th</sup> of July weekend activities and agreed to outline them in June.

Robin has suggested an Art Show mid-August and to consider planning other future events.

Directories: Robin said there are approximately 17 left for sale and 16 on hold for members that have not picked them up yet. It may not be necessary to do them again this year, it just depends on interest, and or need.

Next Boosters' Meeting is scheduled for Saturday June 19<sup>th</sup> at noon and will be a lunch potluck at North Beach.
