Band of Obviously Super, Terrifically Enthusiast Recreation Supporters

BOOSTERS' potluck started at 6:00 pm on September 12, 2015. What a great turnout!

Carla Vierra, President, opened the meeting at 6:30 pm. Carla explained the electrical need in the shed for the freezer and that Jack was asked and had accepted to do the work. She requested \$100.00 donation to help Jack with the expense and it was approved.

The Treasurer's report; Beth Wanzong and Kathy Deuster - \$4,375.00 had been raised as of the meeting for the water trailer and security cameras and light. Thanks to Gary Wanzong for the security camera and light installation. The Boosters' General fund \$5,316.75, includes \$797.75 raised on Labor Day.

Mike gave thanks to the boosters for supporting the water trailer. Dana suggested contact numbers and names be stenciled on it.

Carla asked the new officers to stand up and introduce themselves due to all the new faces. The new Co-President – Carla Vierra and Leslie Sanderson, Co-Treasurers – Beth Wanzong and Kathy Deuster, Secretary – Lisa McCormick.

Dock removal discussion took place. Small docks are tentatively scheduled for October 10th, depending on the completion of the ramp project, if it is not done, and then the removal will be on October 24, 2015 at 10:30 am. Boosters will provide lunch.

Raffle Basket and Thanksgiving Dinner Sign-up Sheets were passed around.

The Photo Contest and Calendar Project were discussed. Mark and Jena Anderson are chairing this project. Only 3 submissions had been received so far, and a reminder will go out in the Beachcomber. Mark was also sorting through pictures that had been posted to Herron Island Face Book. The deadline for entries will be September 30th. It was also suggested that may be an informal preorder be taken for an estimated count for how many calendars should be ordered.

It has been determined that we will need three turkeys again this year and to replenish paper products for the dinner. Carolyn Anspach will pick up one turkey and has volunteered to cook it; Lisa will pick up the other two along with the paper products. Carolyn has also volunteered to be our Bingo Chairperson again – thank you! Two of the turkeys will be cooked at the community center while it is getting decorated.

A time will be set aside to test the hose connections on the water trailer, hopefully on this Monday, for all of those interested.

Minutes written by Lisa McCormick - Secretary
