

Emergency Preparedness Drill

The Franciscan Health System is looking for volunteer victims for their hospital drill. This is a great opportunity to learn a bit more on emergency preparedness, have some fun and meet new people. Please pass this along to anyone you think might benefit and enjoy being a part of this important exercise.

Please contact Davina Noltem (information below) if you are interested in participating. The date and place is TBD. She is great to work with!

Davina Nolten,
Disaster Coordination Specialist
Disaster Planning and Education
MS 01-24
Franciscan Health System
St. Joseph Medical Center
1717 S. 'J' Street
Tacoma, WA 98405
