

Join us to listen to Bob Krebs of Evergreen Rural Water of Washington (ERWoW). HMC is a member of ERWoW. They are a non-profit association serving the needs of water and wastewater utilities throughout Washington State.

Evergreen Rural Water provides systems with on-site technical assistance and leadership on issues affecting the water industry.

Topic: Upgrading and maintaining HMC's water system

When: 5:15-7:15pm, Friday, December 7th

Where: Herron Island Fire Station/Community Hall

Open to all members! Please join us to learn what is involved in upgrading and maintaining our water system.
