Herron Island BOOSTERS met on August 9, 2014 for a potluck and meeting.

The business meeting opened at 6:45pm with Carla Vierra – President, Deb Kraft – Treasurer, and Judy Greinke – Secretary in attendance.

Treasurer's Report - \$7,337.41 in Booster's account with an apparel purchase of \$158.00 deposited on 8-12-2014 bringing the total to \$7,495.41. Money held for the island swing set purchase from Carolyn and Tracy Anspagh's Fund Raiser is \$1830.25 with a donation of \$200 added on 8-12-2014 bringing the total to \$2,030.25.

Island Directory purchases can be made during the Labor Day BOOSTERS events or by contacting Deb Kraft on Herron Island. HI stickers will be available for sale at the Labor Day BOOSTERS events or by contacting Judy Greinke on Herron Island.

Deb Kraft will be working on setting up a website and facebook page for the Herron Island BOOSTERS. We will try to have an online ordering link so that people can order our apparel and other items at any time during the year.

Members present agreed to purchase 6 – 6ft. folding white tables. Four of the tables will be stored down at North Beach storage area and 2 will be added to the community center table supply. BOOSTERS will need to move the 2 barbeques and propane tanks up to the storage shed at Goodpastor Park for use when cooking during baseball games and other events.

BOOSTERS would like to sponsor another Herron Island Calendar as a small fund raiser. It is too late in the year to have it published by the October meeting, so we all agreed to start collecting pictures from people now with the intent of publishing a calendar for 2016. All pictures can be sent to Deb Kraft on the Herron Island Face Book page. Once we get an official Herron Island website, then all pictures can be sent there under the Calendar Link.

BOOSTERS are sending out an ALL-CALL for a handy man/carpenter who would be willing to discuss making folding shutters to close in the covered patio area. We are open to any and all suggestions for making an enclosure so that this area can be used during cooler weather. The group had voted to spend funds on this project earlier this year, so money has been allocated when a workable solution is found.

Labor Day Events: Saturday August 30th - BASEBALL GAME

Sunday August 31st COMMUNITY CENTER 9:00AM - COFFEE & ROLLS – Dorian Brown- chair, Apparel, Directories - Deb Kraft- chair, Junk in the Trunk- Judy Greinke
