

Greetings All:

I would like to thank all of you that have turned out for the previous Water Department Trailer and Fire Hose Demonstrations. I have had requests for more and the next one will be:

07 October 2015 Wednesday at 10:00 AM
The Community Building at Goodpastor Park

We will go over what is contained on the Water Department Maintenance Trailer and have a demonstration of the fire extinguisher and fire hoses. Please let others know the time and place.

If you are not able to attend at this time, please let me know of a time that would work out for you - state a day of the week and time - so that I can put an announcement together and let people know.

Charles A Smith, PE, CESCL, WDM1
Herron Island Water Department (206) 707-4645
