

Captain Gall has informed me that ferry service will be restored to the regular schedule at noon today.

Please remember that although Facebook postings are helpful to a limited group, they are not from HMC Management, and don't reach the larger audience. If someone has information that they think should be verified and posted by HMC, please let us know.

That being said.....tomorrow night is the annual Boosters Thanksgiving Dinner. It's not too late to plan to attend and enjoy the fellowship of other HMC Members.

The Board meeting begins at 10 a.m. in the Community Building, and there will also be a demonstration of the "water maintenance trailer" following the meeting.
