

HMC MANAGEMENT

MEMBER AUTHORIZATION FOR SERVICE PROVIDER FERRY ACCESS

Not Valid Until Signed by Island/Office Manager
FAX 253-884-5047/Email Office@herronisland.org

Guest access to the Herron Island ferry is normally limited to persons who have been issued a guest pass by a member. An exception is made in situations where a member has a service provider or providers working on his or her property and wishes to use this form in lieu of issuing a guest pass for each use of the ferry by the service provider.

A member using this form to authorize ferry access shall indicate on this form the starting and ending dates for the period during which the access will be allowed, and must sign this form prior to the beginning of such period.

A member signing this form by doing so acknowledges his/her responsibility to pay all ferry charges accrued by the listed service provider(s) and agrees to pay when billed. Once signed by the owner, the HMC Island Manager or Office Manager will counter-sign the authorization and inform the ferry crew that the named service provider(s) may use Form 18 to access the ferry.
