President's Message

Hello Herron Island Community –

I'm going to sound like a "broken record." For you younger folks, a record is a large black vinyl disc that played music on a phonograph...

Covid-19 safety, Covid-19 safety, Covid-19 safety. That's my impersonation of a 'broken record.'

The cases of Covid-19 are rising all over the country and our state as well. Close to us, Pierce County is seeing large increases in residents testing positive.

Unfortunately, we are still hearing reports of members and guests not acting safely. We all need to work together to try and minimize the impact of the pandemic on our island.

What can you do? Wear your mask when in public, particularly when in the ferry line or on the boat. If our crew were to become ill, not only would it be a health risk to them personally, but our ferry service would be impacted.

Practice safe social distancing. The science is clear. This disease is spread thru the air from person to person. If you wear a mask and distance yourself from others, you will be doing your part to protect others as well as yourself. Please show consideration to your fellow Herron Islanders and follow the guidelines set forth by our local health officials.

Ok, moving on.

Budget Passed - The proposed 2020-2021 budget passed through our mail-in ballot process. Thanks to all who voted. As a Board, we promise to keep you informed on budget issues throughout the coming fiscal year. After all, it's your money that makes up the budget.

Ferry Dry Dock - The dates for this fall's ferry dry dock are September 12 – 27. The ferry will require significant repair this time, so the end date could shift. We will know more once the boat gets to the shipyard and the inspection process begins.

Ferry Loading - The new three lane loading system on the mainland is working reasonably well. Remember, sometimes due to shuttles the loading does not follow the lane numbering. The crew is working hard to keep track of who should be loaded next. If there is not a crew member stationed on the mainland, we ask for your cooperation and patience. Pay attention to whom should load next and be considerate to others.

Bridge Work – Pierce County will be doing work on the bridge on North Herron Road July 20 – August 31. This is the small bridge located around the corner to the right (East) of the ferry terminal. To let the large trucks get by, no vehicles can line up on Herron Road during construction. We are looking at possible solutions such as closing the parking lot to allow for ferry queuing. You will be notified in advance of the procedures.

Thanks for the Pantry – During onset of the pandemic, a food pantry was temporarily created on the Island. A special thank you to all those who supported this great effort – particularly Dana Clark, Robin Kelly, Carolyn Anspach and Michelle Young.

I know I sound like a "broken record" on Covid-19 safety. It's really important. But let's all remember to have fun, too. Have a great time with your families, enjoy the beaches, the water and all that Herron Island has to offer. We are all thankful we have a beautiful place to enjoy during this challenging time.

The Speed Limit on the island is 15 MPH

That speed limit is imposed for a variety of reasons: Dust control, safety of people, pets, and wildlife, and protection of our fragile roads.

Please respect this limit and let your guests and renters know that we will be enforcing the speed limit. Unfortunately, without members' help HMC is not able to control speeders. Friendly communications is always preferred as a first step, but if all else has failed, members should record the license plate number of the speeding vehicle whenever safely possible and notify the office. Our ferry ticket iPad system records vehicle license plate information for all guests and renters coming to the island. This information can be retrieved and tied back to the member who sponsored the guest.

HMC Rules impose fines up to \$500 for a first offense against the member whose guests were speeding.

HMC wishes to create a safe and peaceful environment for all members and those who visit our shores. Thank you!

Please slow down!

Note: If you see dust flying behind you, please slow down even more!

Ferry Business

- Call ahead if you are planning to use the ferry for a trailer, boat, or large vehicle!
- Only those guests with valid passes will be allowed on the ferry.
- Plan your arrival at the dock at least 5 minutes before the scheduled time of departure.
- Walks-ons are not to be on the dock or ramp when cars are being loaded. Watch crew for permission to board.
- Only service and delivery people may charge fares.

WE HAVE EXPERIENCED GUESTS AND SERVICE PEOPLE EXPECTING TO COME OVER TO THE ISLAND WITHOUT GUEST PASSES. THIS VIOLATES THE ACCESS POLICY THAT WAS PUT IN PLACE FOR ALL OF OUR SECURITY. PLEASE MAKE SURE YOUR GUEST HAS A VALID GUEST PASS SIGNED BY YOU TO ENSURE THEY ARE ABLE TO RIDE THE FERRY. BLANK GUEST PASSES ARE AVAILABLE TO MEMBERS AT THE OFFICE, BY MAIL, AND ON THE FERRY.

Island Manager Report
July 11, 2020

Administration

Thank you to those of you who removed dead trees at Nature Park. A special thanks to Justus Bollen who was on the island from Texas for just a few weeks but took time to volunteer for this event. Thank you, Justus!

Thank you to members for remembering to make appointments at the office so items are ready for swift pickup. Also, thanks to all for wearing masks when you come in.

N Herron Road Bridge Retrofit Project - July 20 – August 31, 2020

Please note – Pierce County will retrofit the supports of the bridge up N Herron Rd during the above timeline.

There is no weekend work scheduled, however, HMC members/guests will not be able to line-up on N. Herron Rd as is usual custom during other weekdays. With the new lanes HMC has in place there is far less traffic lined up the road, but during the timeline above there cannot be any line-up. This is to allow for work vehicles and semi-trucks to get to the bridge throughout the day. Expect a ticket should there be a line up.

HMC is looking at solutions such as closing the parking lot during some time periods to allow cars to pull up into the lot. A notice via email will be sent once all options are reviewed and a decision has been reached.

Ferry

Note, the ferry crew is wearing masks where they cannot maintain 6 feet distance, HMC requests all members, and guests, do the same. Thank you to those that wear a mask. Please make every effort to respect the crew and your neighbors by doing this for the short amount of time you interact with them. This includes in the passenger cabin.

If a crew member were to become sick, it would place a burden on the rest of the crew and the standby employees for coverage, potentially altering the ferry schedule if more than one crew member became ill. ~Please ensure your guests know this same information.

During Covid-19 HMC asks for tickets, checks or exact change for ferry passage. It is important for the public to do your part to protect yourselves and others by practicing good hygiene and wear masks where 6 feet distance cannot be maintained.

Ferry Dry Dock Dates – September 12 – 27, 2020. These dates are always subject to change depending on length of time in the shipyard due to US Coast Guard required work list. This year will be a lot of plating work on the keel, in voids and on the car deck. HMC will not know the full extent until the USCG examines the ferry within the first couple of days at shipyard.

Guest Passes – the crew is not permitted to complete guest passes, should you leave them with a crew member uncompleted you may not be able to get your guest onboard. If you have questions about guest passes, please call ahead to the office; open Tuesdays, Thursdays and Fridays at 253-884-9350.

Rental Guests- please ensure your rental guests have guest passes ahead of their visit and ensure that there are no delinquent charges on your HMC or Water accounts. The guests will be denied access to the island otherwise.

(Continued on Page 5)

Island Manager Report (Continued from Page 4)

Legal Liaison: There are 20 delinquencies; 12 with our attorney for action.

Departments/Committees

A good suggestion was made that committee chairs could break down work by individual jobs and contact people to help so that people could participate during COVID-19. As committees meet again, or are able to share work needed, we will work on a list and get it sent out.

Maintenance: Gary Wanzong – No report

Parks: Dale Miller – No Parks Work Day

Policies: Mike Gage – No report

Roads: Dan Marten – No report

Dan is back on the island and will continue to monitor roads. Grading is complete until November.

- Ditch cleaning to be scheduled

SALE OF HMC-OWNED PROPERTIES

FOR SALE!

Pursuant to the HMC Acquisition and Disposition of HMC Property Policy (2020) the HMC Board of Directors is offering the following properties for sale. This list of properties was voted on and approved by the membership in June 2020 and will be effective until changed by a vote of the membership.

The Sale Price will be the Assessed Value plus 10%.

- Prospective buyer must submit a written purchase offer for HMC-owned real property identified for sale.
- The offer must include the lot address, and proposed terms of the sale, and must have an expiration date of no fewer than fourteen (14) days from the date it is presented to HMC.
- The purchase offer will be presented to the Board and Island Manager for review. Please email to HMCManager@herronisland.org.
- The Board will review the reasonableness of the purchase offer and identify any unanswered questions or issues regarding the purchase offer.
- If more than one person is bidding on a property, to outbid other bidders, a new bid must be for a minimum of \$100.00 more than any prior bid.
- HMC will send an email to its email membership list to inform those Members currently on the list to invite higher offers by the appropriate deadline.

List and Sale Price of Offered Properties:

A Message from the President

Greetings! The Boosters were able to successfully hold an outdoor, socially distanced meeting last Saturday (July 11) and everyone voluntarily wore their masks. The Minutes have been posted on the main Herron Island website (www.herronisland.org).

We are pleased to announce that we will working on getting a 2021 HI Directory and HI Calendar published by mid-October, so if you are new to the island and would like to be included in the directory or have changes to the information previously provided, please email me your information at d_kelly@centurylink.net. If you are unsure what information you want to share, take a moment to look at the 2020 HI Directory to see what most people include, or you can call me at 253-884-1883.

To all the great photographers out there...I have already started a file of amazing photographs for consideration for both the directory covers and the 2021 calendar, so if you have a photo you would like to submit please send me a high-resolution copy. I might also reach out from time to time and ask someone to submit something I spot on the Herron Island Facebook page.

We typically go to print in October, but it takes at least a couple months for me to get everything ready, which is why I begin working on it early. We need advertisers to help offset the cost of printing, so if you know of a company or individual that you think might be interested in placing an ad, please let me know. The idea is to help identify those quality businesses and service people who really want our business, but if we don't occasionally call them for at least a quote the chances of them renewing their ad diminishes. It is also very helpful if you do call an advertiser to let them know that you saw their ad in the HI Directory. And just as an FYI, sometimes there are discounts offered for HI Members, so it is worth taking a moment to look at the advertisements.

We are also asking for volunteers to help clean the Community Center, excluding the offices, as it hasn't had a good clean in over a year. We can do this over a weekend or two when the office is closed (Saturday, Sunday and Monday). Ted and Stephanie Jensen have already volunteered, as have I, but we could use a few more helping hands. If you would like to help out, please contact me at the above referenced email and/or give me a call. Many hands make light work!

I hope you are all having a wonderful summer, despite the current health pandemic. Please stay safe and well!

Robin Kelly
President

Basic Ferry Safety Rules
Smoking is not permitted.
Marijuana is not permitted.
Open alcoholic beverages are prohibited (RCW 46.61.519)
Passengers must remain behind the safety lines in place across each end of the ferry.
Passengers must remain in vehicles or passenger cabin while ferry is loading/unloading vehicles.
Passengers under the age of 13 must be under adult supervision at all times. Passengers ages 13-17 who are unaccompanied by an adult must remain in the cabin until a crewmember tells them they may leave.
Propane tanks must be shut off and sealed prior to boarding.
Gasoline is allowed in CG/UL-approved portable containers no more than six (6) gallons in size with no signs of deterioration that could affect silt integrity. Containers must be properly secured for transit and cannot exceed a total volume of twelve (12) gallons on any one trip.

Access Policy Main Points
Member vehicles must have a valid HMC Sticker. (If sticker is invalid guest rates apply.)
Guests must provide a completed guest pass to the deckhand/purser, filled out and signed by a Member, to be admitted onto the ferry.
Roundtrip payment is required on the mainland side by cash or check.
Charges to Members can only be authorized for utility, service or delivery services.
A reservation must be made in advance and confirmed by the ferry Captain to transport any combination (in-tow) of any length and/or single vehicles longer than 25 feet.
Maximum gross weight is 40,000 pds.
Maximum vehicle length is 60 feet.

Loading/Unloading Procedures
Speed limit on the ramps and boat is 5 MPH.
Follow all directions given by crew.
Set parking break and turn off engine when loaded.
Do not start engine until directed by the crew.
Turn off all vehicle lights while on the ferry, ramp or pier during loading and/or unloading.
To load vehicles proceed to the concrete pier when light turns green. Proceed one vehicle at a time down the wooden ramp and wait at bottom until directed by crew to drive onto the ferry. Follow instructions of crew where and when to park.
To exit the ferry restart your engine and release parking break only when directed by crew. Exit ferry as directed by crew.
Foot passengers may not board when light is green. Passengers are to remain in cabin when ferry is docking or at dock.

Boarding/Shuttling
Ferry crew may begin boarding 10 minutes prior to scheduled departure.
Vehicles/passengers must arrive no later than five minutes before the scheduled departure time to ensure a place either on the current run or a shuttle.
Vehicles/passengers arriving after the five minute cutoff time are not assured a place either on the current run or shuttle.
If additional vehicles/passengers arrive after the cutoff and prior to the final shuttle departure they will only be accommodated as space permits on the shuttle. Any remaining vehicles must wait until the next scheduled run.
The ferry may not make shuttle runs if the ferry crew reach legal work hour limits. Some shuttles may not be made to assure the ferry crew gets required breaks.

Holiday Restrictions
Combinations (in-tow) of any length and/or single vehicles longer than 25 feet will not be transported after noon, the Thursday before Memorial and Labor Day holiday weekends. Restriction dates will be posted for the Independence Day holiday.

Ferry Cell Phone
253-691-1457
Call the ferry to schedule heavy loads, when towing vehicles and any vehicle longer than 25 feet. Confirmed reservation is required by the ferry Captain prior to loading.

Member Responsibility
Members are responsible for their guests actions at all times and to assure a completely filled out guest pass is issued to their guest prior to the guest arriving at the ferry.
