BOOSTERS POTLUCK AND MEETING - June 8, 2013 Community Center at 6:00 pm

TREASURERS REPORT - \$8,564.61

Great membership turn out and many new islanders were welcomed to the island and to our BOOSTERS

HOLE IN THE WALL PROJECT – The new garage door has been installed and was opened during the potluck and meeting. This was very enjoyable with warm weather and sunshine. Carla Vierra led the meeting and passed around sign-up sheets for volunteer opportunities. We need help and input for the caulking and painting of the repaired wall around the new garage door, and research for the storage shed and roll up wall coverings .

APPAREL SALES - Merry Kogut is the new Apparel Chairman and shared the inventory numbers and styles and a request for purchasing new tee shirts, hats, license plate frames, and vests for the 4th of July Holiday. The membership voted to spend up to \$1,000 for new apparel for sales over the 4th.

4TH OF JULY HOLIDAY ACTIVITIES – Membership discussed the dates and times for our 4th of July activities.

It was voted to have the Sailboat Race and the Rubber Duckie Race on Friday July 5th at North Beach at 3:00 pm. Anita Bray is chair for the sailboat race and Rondi Amidon and Diane are co-chairs for the Duck Race. The cost of a duck is \$2 with one dollar going to the BOOSTERS and the other dollar will be collected for the 1st place prize. A basket will be donated for the 2nd place prize and children's prizes if a child wins the race.

The regular Holiday Activities will be held at the Community Center and Goodpastor Park. At 9:00 am the Junk in the Trunk Sales, Coffee and Rolls with Deb Kraft and Beth Wanzong, Apparel Sales with Merry Kogut, and Membership Drive will take place in and near the Community Center Fire Hall. The Parade will take place at 12:00 Noon on Saturday and the Baseball games will happen from 1:00 to 5:00.
