

Booster Meeting minutes: May 12, 2018: 06:30-07:20

OLD BUSINESS:

1. Folding Chairs: 24 have been purchased. Thanks, Dana and Kathy
2. 25 foot Flagpole: Gary Wanzong has purchased this for HMC and will install it at North Beach prior to Memorial Day. Boosters voted to contribute \$1,000.
3. Outdoor patio sliding "panels"--Mac McCormick stated the cost will be about \$3000. Boosters approved the expenditure. Mac will order the materials; can be worked on this summer as we have time, materials, and work crew. Plan is to have it ready by the Thanksgiving dinner or sooner.
4. Parks Workday Sat. 5/19 9:30 AM: Boosters will provide lunch at North Beach at noon. Helpers for lunch set-up: Sue Pottorff, Julie Tyson, Robin Kelly. Things that need to be refrigerated can be brought to community center in the morning, and taken down to North Beach a little before noon.
5. Directory Update: A vote on size determined about 50/50 prefer the large size to those who prefer the small size. Robin Kelly stated for ease of working with it as it is already set up, large size has an advantage. This directory will make money even selling it at \$5, and if Merry Kogut sells ads, that may offset some of the printing costs, too. Reminder to all to check entries for accuracy and correct current information.
6. Banner for Ferry Crew for summer holiday display: This has been ordered. Thank you, Lyn and Tom Ritchie
7. Sports Equipment and storage: Jim Davies; Karen Boshear and Ken Higgins. Ken has provided soccer equipment, and Jim is going to get one more goal. Jim can now purchase the storage container for all of our sports equipment, so that it can all be in one place for easy access by islanders.
8. Merchandise: Leslie reported pottery mugs were purchased and here; clothing order almost ready; special sweatshirt will be by order at Memorial Day to be ready for July 4th.
