

Island Manager Report  
February 15, 2019

**Administration:**

HMC's bank account was subject to check fraud in January, steps were taken with the fraud department to ensure HMC will now approve checks presented via online processes. The fraud department was able to reverse the fraudulent checks thus no funds were lost.

The annual audit is partially complete, it should be complete by early March.

**Departments/Committees**

Small Boat Docks

Alan DeGood likes the idea presented by a member of a LOAD / UNLOAD only designated place on either the NW or NE end of the docks. This area would not allow any parking allowing people the ability to use the docks for picking up and dropping off people. The board will make a recommendation.
