BOOSTERS MEETING AND POTLUCK AUGUST 10, 2013 COMMUNITY CENTER

Treasurer's Report: \$5,686.56 Most of the bills (\$3091) have been paid for the new Storage Shed. A few additional expenses for electrical and caulk will still be coming in.

OLD BUSINESS: Storage Shed project. Better Built Barns offer a 10 year warranty on this building if we caulk and paint it within 90 days. A few members offered to paint and the date will be September 7, 2013. Janet will send out a reminder before that day in hopes that many BOOSTERS will show up to make the job easier on all.

Merry Kogut would like to have a contest about finding a name for the Herron Island BOOSTERS Apparel Store. Judy will place the contest information in the next Beachcomber.

Roberta Latimer is the Chair for the new Booster's Directory. We will place our request for names and phone numbers in the next Beachcomber to see if we can get more input. We have 29 names at this time.

Pat Zazzo asked if anyone from BOOSTERS could help with the placement of the new front door for the HMC Office. A few people raised their hands and Pat will contact them.

Janet Podell brought up an idea for a Kayak Rack to be placed at North Beach. Many opinions and ideas were shared. Judy will contact the Parks Department to see how they feel about this idea. Location, mowing around rack, and maintenance were the primary concerns.

NEW BUSINESS; Labor Day Activities were discussed and planned as follows:

End of Summer Dance at North Beach if weather permits – Community Center if wet and cold – Saturday Aug. 31st – 7:00 to 11:00pm

Baseball games on Saturday or Sunday Sign up at 11:00 Kids 1 – 2:30 Adults 3 – 5:00

Coffee and Cinnamon Rolls, Junk in the Trunk, and Apparel Sales Sunday 9:00AM at the community center.

Sailboat Race - Sunday 3:00 to start and end at North Beach.

Respectfully submitted: Judy Greinke Secretary
