

Herron Island Boosters Meeting June 10, 2017

Recap from Recent Activities

Feral Cat Spay/Neuter Clinic May 18-20

Project was a great success. 51 cats spayed or neutered, and 10 kittens taken to a facility where they will be socialized and put up for adoption. Great team, great volunteers, and wonderful use of donation from Boosters, as well as private donations from island residents.

Memorial Day Weekend Activities

~Sold out hamburgers Saturday afternoon; few hot dogs left over

~Sold out cinnamon buns and rolls Sunday morning

~Good sale HI merchandise

~Kayak races cancelled due to low, low tides. Memorial lanterns sponsored by Sharon and John Lisicich were a huge success. Recommended to make this an annual event. We kept the wood bases and the lights, and raised over \$100 in donations earmarked for buying the lanterns for this next year. Recommended to put lanterns out 1/2 to 1 hour later so that they are more easily seen on the water.

Upcoming Activities

Sat June 17th Lunch for Roads Committee Workday

We will order sandwiches from Key Center and will get fruit, water, and sodas. We have chips, and we will have cookies. People who want to bring salad or other goodies are welcome to do so. Time for lunch: Noon on June 17th, Jack Wells, contact.

Sat Jun 26th Lunch for Parks Workday

Approved to do a similar lunch (as above) on Sat June 26th for Parks Committee
Jim Davies, contact
