

# HMC MANAGEMENT Certificate of Appreciation

is hereby given to

## Kathy Deuster

In sincere appreciation to Kathy Deuster for her tireless support to the Herron Island community these past four years as a Board Member. Kathy has contributed so much to our community through her participation on the Board, Land Use Committee, Rules Committee, Parks Committee and the Emergency Preparedness Committee. Not to mention the fact that Kathy was previously an officer for the Boosters organization. In fact, it's hard to think of a community project that Kathy hasn't been involved in at some level. Without the help of volunteers such as Kathy, Herron Island could not operate effectively and we thank you for your contributions.
