

# *HMC Management*

---

## **TRANSPORTATION COMMITTEE MISSION STATEMENT**

The primary function of the Transportation Committee is to recommend benefits and improvements of the ferry system to the HMC Board and Island Manager.

Concentrating on the following items initially:

- Committee will recommend ways to reduce ferry operating expenses and improve Membership service
- Committee will recommend ways to temporarily reduce paperwork errors on car and passenger counts and revenue anomalies
- Committee will recommend long term fixes to paperwork errors on car and passenger counts and revenue anomalies up to and including electronic systems
- Committee will recommend a survey for the Membership to collect input on recommendations to ferry schedules, ferry access policy, and improvements to customer service.
- Committee will respond to Board requests for supporting programs as needed

Adopted April 2016
