HMC Newsletter

July 2013

## President's Message

Dear HMC Members

July 4<sup>th</sup> weekend is behind us now and we are most fortunate to say that the weather was fantastic and we had no noteworthy accidents other than a reported twisted ankle from Saturday's evening of music and dancing. I would like to say a big thank you to those volunteers who spent Friday morning cleaning up the North Beach Park from the Thursday evening show of fireworks, to those who organized and operated the various Saturday events and to those who participated in them. For those who could not make it to the Island this last Fourth please start planning for next year's Fourth of July Weekend as the Fourth does fall on Friday and will be a true 3-day weekend next year.

During the July Board Meetings the ballots were counted and the both the Rules and Budget proposals passed. I would like to thank those who stayed and counted the ballots on such an enjoyable day of weather. Hopefully no one was hurt from the arm twisting that we needed to employ to find six volunteers to count ballots. It was suggested that we offer red and/or white libations next year to entice Members to help count. This suggestion is under consideration.

At the regular Board Meeting this month the topic of the roads and their condition was brought up and our plan is to finish restoring them back to the pre-water project condition. Right now you will notice very little physical work being done to the roads this month. But work is being done; paperwork is being prepared in the background right now by the county road inspector and project engineering regarding the condition of the roads. Once we have these official reports on the condition of the roads we will know where we stand legally and what our options are. From this point we can then make a sound financial judgment as to how to proceed. The Board has agreed to hold off spending

any more money on the roads until we understand what our options are, what the costs are, who is paying for what and where the money will be coming from. Right now the Roads Committee is working on putting together various options and associated costs. The Board is working on the financial aspects based on the various scenarios and associated costs. All this prep work will help speed up the decision making process once we have the official road inspection reports in hand. As the old saying goes, the job is not finished until the paperwork is done. Right now we are doing the paperwork to finish the job at the least cost to HMC. We do have a couple months of nice weather ahead of us so we have time before we move back into the wet weather season to take action. In the meantime the roads are being watered with saltwater to control the dust. Our Roads Committee and volunteers are still in the process of cleaning up the intersections of overgrown foliage so that people can see oncoming vehicle traffic and pedestrians around the intersections. This will help in keeping our Members, visitors and wildlife safe. What everyone can do to help is to drive slowly and carefully as this helps in keeping the dust down, avoids accidents and is considerate to your neighbors. We can always use volunteers to water the roads. As mentioned in this month's Board meeting the volunteer driver always makes sure their road is one that gets watered. It is fast and easy to learn to drive the truck and can be fun. So if you are interested contact the office.

The Board sent out an email asking for input into a suggestion to reduce the speed limit to 10 miles per hour. We have received over 50 replies that range from a simple no to a simple yes with everything else in-between. The Board has made no decision on this suggestion and will not until August. So please weigh in if you have not expressed your feelings on the subject. Please forward your feedback to [memberinput@herronisland.org](mailto:memberinput@herronisland.org). Your input is wanted and needed by the Board. Some of the responses

(Continued on Page 2)

President's Message  
(Continued from Page 1)

raised some very good questions and concerns regarding the speed limit change. This input does impact the decision making process.

Everyone, please have a safe and enjoyable month.

**Ferry Cell phone (253) 691-1457**

*(Cell phone to be used for scheduling heavy loads, big vehicles or having something in tow, and for information regarding ferry services.)*

**Ferry Business**

- Call ahead if you are planning to use the ferry for a trailer, boat, or large vehicle!
- Only those guests with valid passes will be allowed on the ferry.
- Plan your arrival at the dock at least 5 minutes before the scheduled time of departure.
- Walks-ons are not to be on the dock or ramp when cars are being loaded. Watch crew for permission to board.
- Only service and delivery people may charge fares.

**WE HAVE EXPERIENCED GUESTS AND SERVICE PEOPLE EXPECTING TO COME OVER TO THE ISLAND WITHOUT GUEST PASSES. THIS VIOLATES THE ACCESS POLICY THAT WAS PUT IN PLACE FOR ALL OF OUR SECURITY. PLEASE MAKE SURE YOUR GUEST HAS A VALID GUEST PASS SIGNED BY YOU TO ENSURE THEY ARE ABLE TO RIDE THE FERRY. BLANK GUEST PASSES ARE AVAILABLE TO MEMBERS AT THE OFFICE, BY MAIL, AND ON THE FERRY.**

**Nondiscrimination Statement**

In accordance with Federal law this institution is prohibited from discrimination on the basis of race, color, national origin, sex, age, or disability. To file a complaint of discrimination, write USDA, Office of Civil Rights, 1400 Independence Avenue SW, Washington DC 20250-9410 or call (800) 795-2372 (voice) or (202) 720-6382 (TDD).

Beachcomber news items must be submitted by 5:00 PM on the Wednesday after the monthly Board meeting on the second Saturday of the month. Items **MUST** be emailed in electronic format to [beachcomber@herronisland.org](mailto:beachcomber@herronisland.org). Include your name and phone number in case any questions arise. Paid advertisements are to be arranged with the HMC office **PRIOR TO PUBLICATION.**

## Island Manager Report July 13, 2013

### **Administration:**

#### **Volunteers:** Kudos to

- our ballot mailout committee Jean Mellor, Sue Pottorff, Virginia Major, Linda Kelly, Merry Kogut and Dianne DeGood;
- Terry Kraft, for singlehandedly putting in the swim float;
- Fred Fath, for spending at least three full days helping prepare the water billing database for testing with our radio read meters (a great success!);
- Leslie Sanderson, Pat Zazzo, Dianne DeGood, Jonas Ray, and others who launched the tansy attack 2013 (results yet to be evaluated by Pierce County);
- Roads Committee, for organizing a highly successful roads cleanup, improving sightline at intersections, and disposing of all the debris – over 30 Members participated!

**Found:** A camera was found at North Beach and is being held at the office. If this belongs to you or one of your guests, please notify the office.

**Other Admin:** Thanks to the volunteers who have spent 50-plus hours setting up and filing materials in the new set of property files.

**Tansy Removal:** Time to remove tansy ragwort from private and HMC properties. We have not heard back from the Noxious Weed Control Board on the results of the removal effort. We've had a suggestion from a Member that the next attack be launched on thistles, which are invading the island. For these, the Weed Control Board recommends using herbicides, stating that gentler organic methods don't work.

**Water Operations:** Charles Smith continues to follow up on Member requests for assistance with leaks and water pressure issues. Requests related to water service can be filed on a "Water Service Request Form" which can be found in the box outside the office, or on the HMC website, under Documents/Member Forms. Emails can be sent to the Water Department at [HMCWater@herronisland.org](mailto:HMCWater@herronisland.org).

We continue to respond to Member requests to check for leaks, adjust water pressure, and explain meter operations.

Washington Water has informed us that they would allow us to cut over water service to Northwest Water prior to the end of the 90-day termination period. Charles Smith is attempting to get in touch with their operations person to set a date to transition.

So far we have been unable to dispose of the water parts inventory to WWSC, and are working on an alternative proposal. If anyone knows of a plumbing or construction company that might be interested in the inventory, please get them in touch with HMC.

**Water System Project:** The HMC roads work is incomplete, due to equipment breakdowns and a lack of gravel. We are awaiting the next report from the Pierce County inspector, following which we will meet with the project engineer and contractor to resolve the remaining work required to satisfy the project permit conditions. The Roads Committee met and discussed the purchase of additional gravel, to have it on hand when the roads work resumes.

**Fire Department Liaison:** The fire district has notified us that they will again contract with Anderson Island for emergency service to Herron Island while the "Charlie Wells" is out of service in September.

(Continued on Page 5)

Island Manager Report  
(Continued from Page 4)

**Land Use:** Sale of HMC lots at 315 and 317 East Madrona has been completed, with proceeds of \$15,132.91 to the HMC treasury.

**Emergency Preparedness:** Committee Report.

**Parks:** Committee Report below.

- *A big thanks to Steve, Andy and others who readied the court for the 4th of July holiday. We saw a lot of activity on the multi purpose court and were glad to see it in use.*
- *Wow, the Parks and B-Ball field looked good and so did the players. Great job Parks Volunteers and Deb Kraft for coordinating a fun event!*
- *Shout out to Andy Anderson: the horseshoe pits at North Beach looked great. Thanks for the time spent!*
- *On our "to do list" - reapplying the stencil for "load/unload" at the docks. They were packed throughout the weekend and leaving these spots open allows an area for those transitioning and needing a quick in and out.*
- *Prices for the new court fencing being gathered. We're hoping to accomplish this at the fall work party.*
- *Lawn Mower clutch is failing. Prices are being gathered from several repair companies at this time.*

**Other:** Smaller piling stubs have been removed, and disposed of. Inquiries are pending regarding replacement or repair of North Beach bulkhead and any permit requirements or restrictions.

**Roads:** Committee Report. At the request of the Roads Committee, we have requested that American Disposal change the driver routes for garbage pickup and recycling to provide more time for the driver to cover the route, and also, that the driver be directed to enter East Herron at the South end. This should reduce some of the road damage which occurs when the trash haulers grind their way up the hills on East Herron.

Speeding and scattering gravel into roadside ditches does not help the condition of the roads; and a proposal has been made to lower the speed limit to 10 mph. to reduce road damage and reduce dust. The Board is collecting Member input on this proposal.

**Rules:** Board report. The Committee has received several complaints regarding illegal burning, construction noise, speeding and other infractions. The Committee will hold hearings the afternoon of Saturday, July 13.

It's a good time to review the island rules, especially outdoor burning and small boat dock rules, all at the [www.herronisland.org](http://www.herronisland.org) website.

**Herron Island Ferry:** We have not yet received the steel decking report from Sargent Engineers regarding steel decking; however, their preliminary response is that steel grate decking is feasible. We can expect the full report next week.

HMC is now recruiting for two standby deck hands. The job announcement is posted on the HMC website. If you are interested, please provide a letter of interest and a resume to [humanresources@herronisland.org](mailto:humanresources@herronisland.org).

**Legal Liaison:** We currently have 21 delinquencies, of which 9 are with the attorney for action. Delinquency rate of 5.0%. Last year at this time it was 4.5%, with 18 delinquencies.

## **EMERGENCY PREPAREDNESS TIP OF THE MONTH**

### **EMERGENCY WATER SUPPLY**

How long ago was it that you purchased or prepared your emergency water supply? It was most likely a lot longer ago than you realize. Emergency water from a supplier like the Red Cross or some other organization usually has an expiration date of five years. Bottles that you have prepared yourself need to be replaced every six months. Check the expiration date on your water containers today!

Keep in mind that just to survive, the human body needs a minimum of 3.2 quarts of water a day. For drinking, sanitation, and hygiene, 13.2 gallons of water are required per day. Below are do-it-yourself tips for providing a safe emergency water supply.

#### **Water Storage Tips**

- You can store your water in thoroughly washed plastic, glass, fiberglass or enamel-lined metal containers.
- Never use a container that has held toxic substances, because tiny amounts may remain in the container's pores.
- Sound plastic containers, such as soft drink bottles, are best. You can also purchase food-grade plastic buckets or drums.
- Avoid the use of plastic milk or other similar containers. This plastic becomes brittle over time and can easily crack during the ground shaking of an earthquake.
- Before storing your water, treat it with a preservative, such as chlorine bleach, to prevent the growth of microorganisms. Use liquid bleach that contains 5.25 percent sodium hypochlorite and no soap. This should be readily available at your local grocery store. Some containers warn, "Not For Personal Use." You can disregard these warnings if the label states sodium hypochlorite is the only active ingredient and if you use only the small quantities in these instructions.
- Add four drops of bleach per quart of water (or two scant teaspoons per 10 gallons), and stir. Seal your water containers tightly, label them and store them in a cool, dark place.

The Mt. Rainer branch of the Red Cross sells emergency water along with survival kits of various sizes. You can find them online at <http://www.rainier-redcross.org/>.

Please join us at our next Emergency Preparedness Committee meeting on August 10 at 12:30 p.m. in the Community Center.

### **Summer Safety Reminder**

If you have been on the Island in the last few days, you have noticed that most of the roads have new gravel on them.

Please drive slowly! We know that summer time is a fun time on Herron Island, but use extreme caution on the new roads.

**Be Aware.....Be Cautious.....Be Safe**

## **RESIDENTIAL FIRE PIT ETIQUETTE**

Now that summer is just around the corner, we're dreaming of those balmy evenings with family and friends gathered around our fire pits. The air is full of laughter, shared memories, and the aroma of S'mores. While all this is wonderful, legal, and fun, we need to remember that our "good times" may be a nuisance and, in some cases, a hazard to our neighbors. Here are some simple suggestions so that you can be a "good neighbor" while enjoying your fire pit.

- Burn only dry firewood. Generate as little smoke as possible.
- Check the wind direction.
- Notify your neighbors in advance.
- Better yet ... invite your neighbor.
- Be sensitive to the neighbor who may have asthma or other breathing difficulties.
- Even a "hot" fire emits the smell of smoke so consider how frequently you have a fire.
- Remember to refrain from loud voices, loud music, etc. between the hours of 10 pm and 8 am.

Per the Puget Sound Clean Air Agency, it's always illegal to smoke out your neighbors. If they complain, you are required to put the fire out immediately.

### **Additionally**

- Any outdoor fire must be continuously attended. Abandoning a fire could result in heavy fines.
- Burning of trash is never allowed.

For more details of island and government burning regulations, please check out the Burn Rules section of our website at [www.herronisland.org](http://www.herronisland.org).

### **Bottom-Line**

It's been a long, long, rainy, winter. We're all looking forward to a fun, safe, and harmonious summer. Let's do everything we can make that happen for ourselves and our neighbors.

Did you remember to change the batteries in your smoke alarms at the onset of Daylight Savings Time?

If not, be safe, do it now!

### **SPEED LIMIT 15 mph or should it be reduced to 10 mph?**

Just a reminder to please let the HMC Board know your thoughts on this issue by July 29th via email at:

[memberinput@herronisland.org](mailto:memberinput@herronisland.org)

A decision will be made at the August 10th Board Meeting.

### **Herron Island Rules**

Revised Herron Island Rules effective June 2013 are available at <http://www.herronisland.org/>.

Here are a couple of reminders related to boats and boat trailers at North Beach.

- Boats may only be docked at North Beach Boat Docks (in any location) for a continuous period of no more than twenty-four (24) hours..
- Boat trailers may not be parked overnight within any HMC Common Area. Boat trailers may not be parked at any time within any HMC Common Area on Memorial Day weekend, Labor Day weekend, or on July 4th.

### **July 4<sup>th</sup> Baseball Recap**

This 4<sup>th</sup> of July was my first year as Baseball Commissioner and I have to say I had a blast. I want to thank everyone who helped to make the day a success. We had an amazing turn-out for both the Junior and Senior games. The Senior game which normally lasts 7 innings was extended to 9 we were having so much fun. The East teams won both the Junior and Senior games and ironically the score of both games was 6-3.

I look forward to holding games again for Labor Day Weekend. Thanks again to the people who stepped up to coach and umpire – I really appreciate it.

See you all at the Labor Day games...Deb Kraft

### Tide Tables

Plots of the monthly tide tables are available on our website ([herronisland.org](http://herronisland.org)). The plots are for nearby McMicken Island, which is the NOAA data point closest to Herron Island.

### Package Delivery

If you order packages to be delivered to the mainland terminal, please track their delivery so you can be available to pick them up or make other arrangements. It is not the responsibility of the ferry crew.

### Concerns or Ideas

All Members are invited to voice their concerns or ideas by using the Member Input email address, contacting the Board Members or the HMC Office:

[MemberInput@herronisland.org](mailto:MemberInput@herronisland.org)

### Welcome, New Islanders!

HMC welcomes the following new Members to Herron Island:

- Jay & Jill Ravenscraft
- Kathleen Nelson

## FREE CLASSIFIED ADS

Wanted. Looking for an inexpensive Electric Golf Cart in good working condition. Please call Patrice Thorell 206-366-5665

Waterfront cabin, one bedroom with double bed, double bed in loft and hide-a-bed couch. Large deck, stairs to beach. \$125/night-2 night minimum, \$700/week. Contact Jerry or Christine Palmer, 253 529 1378 or 253 797 9718.

*Non-commercial ads of 100 words or less will be accepted for inclusion in this section free of charge. Please email your ad to [beachcomber@herronisland.org](mailto:beachcomber@herronisland.org). Subject: Beachcomber Ad. The ad must be resubmitted for each issue in which it is to be printed.*

### Website Photos

If you have any photos from island activities that you would like to share on our website, please send them to [webmaster@herronisland.org](mailto:webmaster@herronisland.org).

### Board Member Email Addresses

[HMCGaryWanzong@herronisland.org](mailto:HMCGaryWanzong@herronisland.org)

[HMCPatZazzo@herronisland.org](mailto:HMCPatZazzo@herronisland.org)

[HMCSherriAnderson@herronisland.org](mailto:HMCSherriAnderson@herronisland.org)

[HMCDianneDeGood@herronisland.org](mailto:HMCDianneDeGood@herronisland.org)

[HMCJanetPodell@herronisland.org](mailto:HMCJanetPodell@herronisland.org)

Please use these email addresses for all future communications to Board Members. They can be accessed on our website ([herronisland.org](http://herronisland.org)) under the HMC Board tab.

### Reminder

Requests for reimbursement must be accompanied by a receipt and received by the office by the Thursday before the Board Meeting to be included in the list of bills to be approved by the Board. Failure to get your bill in on time will result in a delay in payment until the following month.

### Are You on the List?

HMC now has 315 Member email addresses on the notification list. If you want to receive updates about the water project, get notice of the online Beachcomber, or get the latest on windstorms, power outages, water line breakages, or other news, please send an email to [office@herronisland.org](mailto:office@herronisland.org) and request that your email address be added. To be used for HMC purposes only.

### Independence Day Sail Race Results

Five boats entered, four monohull and one multihull. It was a great day for sailors. Sort of made up for Memorial Day.

The order of finish:

#### Monohull

1. Dave Monette and Michel Sotura	1:14:41
2. Fred Reichlin	1:27:44
3. Steve Allwine and Kevin Tighe	1:29:37
4. Larry and Mike Carreiro	1:31:55

#### Multihull

Brandon McNerney	1:14:30
------------------	---------

Mark and Cheryl McNerney manned the rescue boat and provided the great photos. Many thanks guys.

### Ferry Dry Dock This Fall For Engine and Transmission Replacement

Our ferry will be going in for Engine and Transmission Replacement this coming fall. It will leave the Island after the noon Ferry run on September 15th and could be out as long as two to three weeks, depending on the extent of the work that needs to be completed. More information will be posted on the HMC website and in the Beachcomber in the coming weeks.

### Ballot Results -- July 13th

#### Proposition #1:

Approve: 86

Disapprove: 46

#### Proposition #2:

Approve: 98

Disapprove: 35

# NEW Combined Summer Winter Schedule

## 2013 Ferry Schedule Low Tide Cancellations and Adjustments

JULY		AUGUST	
<b>Fri, 7/19</b>	8:30 am—9:00 am Cancelled	<b>Sun, 8/18</b>	9:30 am—11:00 am Cancelled
<b>Sat, 7/20</b>	9:30 am—11:00 am Cancelled	<b>Tue, 8/20</b>	12:00 noon May leave late
<b>Sun, 7/21</b>	9:30 am—12:00 noon Cancelled	<b>Labor Day Holiday Ferry Restrictions</b> Combinations of any length (vehicle towing anything) and single vehicles longer than 25 feet will <u>not</u> be transported after 12:00 noon – 12:30 pm, Thursday, August 29, through Monday, September, 2.  <i>Note:</i> Monday, September 2 the ferry will operate on holiday schedule same as weekend schedule.	
<b>Mon, 7/22</b>	12:00 noon—12:30 pm Cancelled		
<b>Tue, 7/23</b>	12:00 noon—12:30 pm Cancelled		
<b>Wed, 7/24</b>	12:00 noon—12:30 pm No shuttles 12:30 pm May leave early		
Note: No shuttles means only one trip for that time.			

Mark your calendar! Ferry departs for the shipyard September 15 following the Noon ferry run.  
 Please note the SUMMER ferry schedule was changed effective April 1, 2013.  
 Always check: [www.herronisland.org](http://www.herronisland.org) for the latest ferry schedule updates.

### ATTENTION ALL HERRON ISLANDERS

Remember the BOOSTERS Directory of days gone by? A BOOSTERS member has generously offered to head up a project to create a new Island directory. We must get written permission for each name listed in our directory, so if you would like to be listed please send the following information to Roberta Latimer at the email address shown below. Roberta will compile all the names and then the BOOSTERS will publish the information in a booklet format.

NAME: \_\_\_\_\_

ISLAND ADDRESS: \_\_\_\_\_

MAILING ADDRESS: \_\_\_\_\_

EMAIL ADDRESS: \_\_\_\_\_

PHONE NUMBERS: \_\_\_\_\_

If you would like to advertise in our phone book directory, please send your information along with \$20 payable to HI BOOSTERS so it can be included in the directory.

SEND ALL INFORMATION TO: Roberta Latimer at: [candrlatimer@gmail.com](mailto:candrlatimer@gmail.com)

### HERRON ISLAND ERRAND SERVICE

- Bank and Post office runs
- Courier services
- Grocery shopping
- Dry Cleaning
- Dog groomer
- Gift & Personal shopping
- Gift shopping & wrapping
- Prescriptions
- Returns
- Add'l Service upon Req.

**Affordable &  
Dependable.  
For residents  
who would like  
more free time  
to enjoy the  
island life.**
