Band of Obviously Super, Terrifically Enthusiast Recreation Supporters

BOOSTERS' potluck started at 6:00 pm on April 9, 2016.

Jena Anderson suggested we group the tables into one big family style and it was a huge success! Family and friendship was definitely the atmosphere.

Beth Wanzong presented The Treasurer's report; Beth Wanzong - The Boosters' General fund balance is \$7,049.41.

Beth then opened discussion for the Boosters Sponsored lunch to take place on April 23, 2016 at noon during Parks Appreciation. Beth, Kathy, Dana, Leslie and I volunteered to host it. I also agreed to post it to Facebook again. We all agreed on sandwich trays, pop, water, and chips. It was suggested that people could provide sides such as cookies, fruit, or salad.

Leslie moved on to apparel. She is finalizing the items for Memorial Day Weekend and then suggest we track what sells, what doesn't, what may be needed on a spreadsheet for future orders. We casually voted on designs. Leslie also suggest the designs all become digitized for stream lining the ordering process for the future.

The schedule was firmed up for Memorial Day Weekend as follows: Saturday May 28th baseball starting at 11:00 am with chili dogs for sale. Deb Kraft will host the baseball. Mac, Mark and I will host the chili dog sale. Sunday May 29th starting at 9:00 am Junk in the Trunk at the community center with boosters selling rolls, coffee, merchandise, and requesting a \$3.00 annual membership donation for those interested. Jena, Leslie, Dorian, Mac, myself and others volunteered to host. Dianne offered to assemble the odds and ends of apparel to come up with one or two baskets for Parks Wish List basket raffle.

Leslie suggested we do the calendars again, Mark and Jena volunteered to take on the project once again – Thank You! We opened the discussion on voting for the photos to be used during Labor Day weekend by displaying them at the Junk in the Trunk so all those that are interested can vote. This means the pictures must be submitted before that weekend.

Tentative Fourth of July weekend – Saturday July 2, 2016 Baseball and chili dogs, with a concert in the Park by the Sanders. Sunday July 3, 2016 Junk in the Trunk with rolls and coffee, Parade, and Rubber Ducky Races.

Meeting – potluck ended about 7:00 pm.
