Merry opened the meeting at approximately 6:30 pm.

Treasurer's report presented by Lisa reflects \$10,791.18 in the account.

Labor Day Weekend Recap: activities were enjoyed by many, no changes suggested for next year.

Calendar pictures have been submitted by the selection committee and Mark will have calendars for the Thanksgiving Potluck.

Robin and Roberta finished the directories and Robin has them available for sale \$5.00 each. It was discussed that perhaps for future directories we can get business card size ads for the back to help defray the cost.

Janet will ask if a mass email can be sent out reminding all about the Thanksgiving Potluck.

Lisa and Mac are the chairpersons for the Thanksgiving Potluck. A sign-up sheet was passed around to help with the coordinating of the event. A sign-up sheet will also remain in the community center. Boosters will be supplying the turkeys and ham again this year; volunteers to cook them are needed. Lisa and Mac have volunteered to cook one. Beth and Gary have offered to go shopping for the turkeys. Carla is coordinating the baskets for the raffle, anyone wanting to donate a basket is asked to deliver it to Carla on the island or contact her by email, vierra4520@msn.com
