BOOSTERS' potluck started at 6:00 pm on May 14, 2016.

Welcome. It is great to see so many people that we haven't seen in a long time.

Memorial Day Weekend: Softball with chili dogs on Saturday. Dana has suggested Herron Island mugs be sold with a minimum purchase from the pottery maker with a preorder for any additional mugs. Cinnamon rolls, coffee, and yogurt will be sold on Sunday morning at the Junk In the Trunk. The new merchandise / apparel sales and memberships will also be sold.

Beth presented The Treasurer's report; The Boosters' General fund balance is \$5,830.52.

Carla has received a request from a wedding party for the rental of chairs and tables from the boosters. The rental has been approved if the party accepts the price.

Roads work party has requested additional hotdogs, rolls and chips be purchased so that they can cook them on June 18th. This was approved.

It was determined that we should purchase at least 120 hotdogs, buns, chips, 100 cinnamon rolls, and Jodi has said she will donate yogurt.

Meeting – potluck ended about 7:00 pm.
