

HMC MANAGEMENT

Certificate of Appreciation

is hereby given to

Terry Fletcher

In appreciation of Terry Fletcher for his dedicated support in providing computing expertise and hands-on support to Herron Island and its members. Without your help HMC might still be stuck in the computing dark ages. It is volunteers like you that allow Herron Island to continue to operate in a cost effective manner for the benefit of the total membership. Your perseverance and professionalism are both recognized and sincerely appreciated. Thank you Terry!

Presented: June 12, 2010
