## President's Message

Herron Island Community –

It seems too fast that we are approaching Labor Day and another summer on Herron Island has gone by.

Without question, this has been the most unique and challenging summer of our lives. We are at war with a world-wide pandemic. From how we shop for groceries to how we celebrate birthdays, weddings and national holidays, it has touched all of us in one way or another. Every aspect of our daily life has been impacted.

Yet through all of this, life on Herron Island has continued. Baby deer still frolic, seals bark and splash, and eagles soar overhead. The natural beauty we all experience in the South Puget Sound persists.

Thank you, Herron Island members, for stepping up and rising to the challenges during these difficult times. Early on when staying at home was first mandated, we saw neighbors start a temporary food pantry. Generous volunteers installed our small boat docks. They work to clean up our parks and water the dusty roads. Neighbors all continue to pull tansy. The community garden is brimming with vegetables and colorful flowers.

Our ferry crew has been simply amazing. The pandemic has created a lot of extra work and daily stress for them. They have responded by embracing many new procedures and safety protocols in the best interests of all of us. They have helped create, learn, and manage a new multi-lane ferry loading procedure on the mainland. The new procedure changes long-standing tradition. The ferry crew continues to help members adapt the new ferry loading procedure. We thank them.

Our Island Manager and office staff have performed

remarkably well, too. Many of our long-standing office procedures have been modified. Our staff continues to work hard, without complaint, to keep the business of Herron Island going.

I also want to mention the efforts of your Herron Island Board who are working to ensure procedures and rules are being followed and issues are addressed. This board has had to embrace a new tool – the Zoom teleconference. I want to reassure you that the Board remains committed to providing you with information about HMC's activities and business. If a pandemic requires that we use teleconference technology, so be it. We appreciate those who have joined the monthly Board meetings by teleconference, too.

As we head into the final holiday weekend of our summer, I ask you for three things. First, be safe. If we don't have our health, little else matters. Second, have some fun. Life is short. Enjoy your time on our beautiful island. And finally, be thankful. For all the wonderful people that make Herron Island such a unique and special place.

Thank you for your attention. Until next time,

Reed West,  
Your HMC Board President

Island Manager Report  
August 8, 2020

### Administration

Thank you to those of you who pulled tansy and continued with tree debris clean-up.

Thank you to members for remembering to make appointments at the office so items are ready for swift pickup. Please note masks are now required to enter the office per the State of Washington.

### N Herron Road Bridge Retrofit Project - July 20 – August 31, 2020

Thanks to all as HMC adjusts to the parking lot lanes and less parking. The addition of the 4<sup>th</sup> lane has been a great help nearly taking all traffic off N Herron Rd. Should you park in the lot please ensure your vehicle is close to adjacent vehicles to allow as much parking as possible.

### Ferry

Note, the ferry crew is wearing masks where they cannot maintain 6 feet distance, HMC requests all members, and guests, do the same. Thank you to those that wear a mask. Please make every effort to respect the crew and your neighbors by doing this for the short amount of time you interact with them. This includes in the passenger cabin.

If a crew member were to become sick, it would place a burden on the rest of the crew and the standby employees for coverage, potentially altering the ferry schedule if more than one crew member became ill.

~Please ensure your guests know this same information.

During Covid-19 HMC asks for tickets, checks or exact change for ferry passage. It is important for the public to do your part to protect yourselves and others by practicing good hygiene and wear masks where 6 feet distance cannot be maintained.

**Ferry Dry Dock Dates** – September 12 – 27, 2020. These dates are always subject to change depending on length of time in the shipyard due to US Coast Guard required work list. This year will be a lot of plating work on the keel, in voids and on the car deck. HMC will not know the full extent until the USCG examines the ferry within the first couple of days at shipyard.

**Guest Passes** – the crew is not permitted to complete guest passes, should you leave them with a crew member uncompleted you may not be able to get your guest onboard. If you have questions about guest passes, please call ahead to the office; open Tuesdays, Thursdays and Fridays at 253-884-9350.

**Rental Guests-** please ensure your rental guests have guest passes ahead of their visit and ensure that there are no delinquent charges on your HMC or Water accounts. The guests will be denied access to the island otherwise.

**Legal Liaison:** There are 15 delinquencies; 12 with our attorney for action.

## The Speed Limit on the island is 15 MPH

That speed limit is imposed for a variety of reasons: Dust control, safety of people, pets, and wildlife, and protection of our fragile roads.

**Please** respect this limit and let your guests and renters know that we will be enforcing the speed limit. Unfortunately, without members' help HMC is not able to control speeders. Friendly communications is always preferred as a first step, but if all else has failed, members should record the license plate number of the speeding vehicle whenever safely possible and notify the office. Our ferry ticket iPad system records vehicle license plate information for all guests and renters coming to the island. This information can be retrieved and tied back to the member who sponsored the guest.

HMC Rules impose fines up to \$500 for a first offense against the member whose guests were speeding.

HMC wishes to create a safe and peaceful environment for all members and those who visit our shores. Thank you!

**Please slow down!**

*Note: If you see dust flying behind you, please slow down even more!*

## Ferry Dry Dock

Our ferry is scheduled for dry dock September 12-27. This date is always subject to change depending on work required by the US Coast Guard. Generally the Dry Dock is a two-week time period. We'll keep you advised.

### Mainland Ferry Lanes

Thank you for your patience as HMC works through its new mainland ferry lanes and reduced parking area. As you know if you've visited the island recently, there are now FOUR lanes to get onto the ferry. The fourth lane, made from ropes, poles, and buckets, can be adjusted for use according to traffic needs during the busy season on the island. Please share the following information with your guests:

1. Lane 1. Pull up to the white painted line at the front of the lane. Park bumper to bumper. The last car in Lane 1 should not extend beyond the white painted line at the end of the lane.
2. Lane 2. Pull up to the white painted line at the front of the lane. Park bumper to bumper. The last car in Lane 2 should not extend beyond the white painted line at the end of the lane.
3. Lane 3. This lane is on gravel on the north (water) side of Lane 1. Pull up to the telephone pole at the front of the lane leaving enough room to pull out in front of Lane 1. Park bumper to bumper. The last vehicle in Lane 3 should end at the street sign with the arrow pointing left and right. If cars are parked bumper to bumper nine vehicles should fit in Lane 3.
4. Lane 4. Lane 4 is on the south (fence) side of the lanes, and it is currently made out of ropes, poles, and buckets. Park bumper to bumper.

If the ferry is shuttling, it is possible that vehicles will be left in lanes 3 or 4 that are actually ahead of more recently arriving vehicles that drive into lanes 1 or 2. This may be confusing. If you are in doubt and no crew member is present, please attempt to ask earlier-arriving drivers where the end of the line is.

5. Do not park on the street coming down the hill; use the side street instead, along the water. On Fridays and Saturdays when ferry/cars are particularly busy, HMC may station an extra crew member on the mainland area to direct traffic. Please follow his or her directions.
6. Make sure you leave the exit lane empty so traffic can exit the ferry.
7. If you or your guests park in the parking lot, please park (or have them park) as close to the fence, and as close to one another, as possible to save space.

Thank you for your patience and understanding as HMC continues to work through these changes.

## A Message from the President

While we may still not be having our beloved potlucks and other planned events, we are still working behind the scenes. We would like to give a special thank you to all the volunteers who stepped up to help do a deep clean of the Community Building: Ted and Stephanie Jensen, Anne Davies, Sherry Hayman, Helen Hackworth, Leslie Sanderson, and of course Mike Shettlesworth for moving the fire truck in and out of the building. We plan on doing the floors sometime this weekend and are seeking a few volunteers to help scrub the cement floor and kitchen, while I finish organizing the sheds. (I will help scrub too if I can physically handle it.) Please contact me directly either by email or phone. [d\\_kelly@centurylink.net](mailto:d_kelly@centurylink.net) or 253-884-1883.

We are also working on updating the Member Information for the 2021 edition of the HI Directory, so if you are new to the island and would like to be included or need to change your information please contact me via email or phone as listed above. We could also use advertising leads, so if you know of a contractor or service people you think might be interested in placing an ad, please let me know ASAP. I do all the layout and design of the ads and do not charge for this service. The ads are very reasonably priced and help pay for the overall cost of printing the directory so we can continue to sell it to our Members for a mere \$5 each.

We will begin working on the calendar soon and are looking forward to seeing all the totally awesome photos we will get to choose from. You are welcome to submit any and all photos at anytime via email at the above referenced address. High resolution photographs are preferred.

Just as a reminder to everyone, including guests, social distancing and masks are still mandated by the State and Herron Island is no exception. Please help keep our residents safe and healthy by respecting the mandate and wear your mask when appropriate and honor the social distancing rules. We have been fortunate to not have any reported cases of Covid on the island and hope to keep it that way!

Enjoy the rest of your summer and don't forget to stock up on supplies if you plan on remaining on the island while the ferry is in dry dock this September.

Basic Ferry Safety Rules
Smoking is not permitted.
Marijuana is not permitted.
Open alcoholic beverages are prohibited (RCW 46.61.519)
Passengers must remain behind the safety lines in place across each end of the ferry.
Passengers must remain in vehicles or passenger cabin while ferry is loading/unloading vehicles.
Passengers under the age of 13 must be under adult supervision at all times. Passengers ages 13-17 who are unaccompanied by an adult must remain in the cabin until a crewmember tells them they may leave.
Propane tanks must be shut off and sealed prior to boarding.
Gasoline is allowed in CG/UL-approved portable containers no more than six (6) gallons in size with no signs of deterioration that could affect silt integrity. Containers must be properly secured for transit and cannot exceed a total volume of twelve (12) gallons on any one trip.

Access Policy Main Points
Member vehicles must have a valid HMC Sticker. (If sticker is invalid guest rates apply.)
Guests must provide a completed guest pass to the deckhand/purser, filled out and signed by a Member, to be admitted onto the ferry.
Roundtrip payment is required on the mainland side by cash or check.
Charges to Members can only be authorized for utility, service or delivery services.
A reservation must be made in advance and confirmed by the ferry Captain to transport any combination (in-tow) of any length and/or single vehicles longer than 25 feet.
Maximum gross weight is 40,000 pds.
Maximum vehicle length is 60 feet.

Loading/Unloading Procedures
Speed limit on the ramps and boat is 5 MPH.
Follow all directions given by crew.
Set parking break and turn off engine when loaded.
Do not start engine until directed by the crew.
Turn off all vehicle lights while on the ferry, ramp or pier during loading and/or unloading.
To load vehicles proceed to the concrete pier when light turns green. Proceed one vehicle at a time down the wooden ramp and wait at bottom until directed by crew to drive onto the ferry. Follow instructions of crew where and when to park.
To exit the ferry restart your engine and release parking break only when directed by crew. Exit ferry as directed by crew.
Foot passengers may not board when light is green. Passengers are to remain in cabin when ferry is docking or at dock.

Boarding/Shuttling
Ferry crew may begin boarding 10 minutes prior to scheduled departure.
Vehicles/passengers must arrive no later than five minutes before the scheduled departure time to ensure a place either on the current run or a shuttle.
Vehicles/passengers arriving after the five minute cutoff time are not assured a place either on the current run or shuttle.
If additional vehicles/passengers arrive after the cutoff and prior to the final shuttle departure they will only be accommodated as space permits on the shuttle. Any remaining vehicles must wait until the next scheduled run.
The ferry may not make shuttle runs if the ferry crew reach legal work hour limits. Some shuttles may not be made to assure the ferry crew gets required breaks.

Holiday Restrictions
Combinations (in-tow) of any length and/or single vehicles longer than 25 feet will not be transported after noon, the Thursday before Memorial and Labor Day holiday weekends. Restriction dates will be posted for the Independence Day holiday.

Ferry Cell Phone
253-691-1457
Call the ferry to schedule heavy loads, when towing vehicles and any vehicle longer than 25 feet. Confirmed reservation is required by the ferry Captain prior to loading.

Member Responsibility
Members are responsible for their guests actions at all times and to assure a completely filled out guest pass is issued to their guest prior to the guest arriving at the ferry.
