July 2019

President's Message

Greetings Fellow Islanders -

Hopefully, as you read this, summer weather has arrived and we are all enjoying blue skies and calm waters in Case Inlet.

Budget Vote

Speaking of not so calm waters - we had a large wave roll over our annual budget vote at the July meeting. The Budget passed. However, the choice of how to collect the money ended in a tie. Here are the results: Annual Assessment of \$2,710 – 53 votes, Annual Assessment of \$2,398 + \$312 Special Assessment – 53 votes, Disapprove – 24 votes. A tie has never happened before. After carefully reviewing our bylaws and confirming with our attorney, it's clear the Board has the authority to resolve this. The Board is currently discussing which option benefits members most. There will be a presentation and formal vote by the Board at the August Board meeting.

Fourth of July Wrap-up

If you were on the Island over the Fourth of July holiday, you saw the Island was packed with members, their families and guests. Special Thanks to our ferry crew who worked hard over the holiday. It was great to see so many people enjoying our Island. Most everyone was respectful of one another and our island. However, there always seems to be a few who don't follow our rules. Speeding was a problem, especially by small motorized vehicles. To keep our roads in good repair and to keep everyone safe, please help your guests respect the 15 mph speed limit. If you see someone speeding, ask them to slow down. If speeding continues, file a rules complaint. We need your help to identify problems.

Boosters

Boosters Did It Again – The Boosters followed their Memorial Weekend success with another round of great success and fun for the Fourth of July. The parade, baseball game, soccer game, music in the park, and merchandise sales were all well organized and very well attended. Supporting the fireworks clean-up was a bonus effort. The Boosters embody the tremendous community spirit that exists on Herron Island. Thank you to Boosters' President Leslie Sanderson and the entire crew of dedicated volunteers.

Thank You

Huge Thank You to Dan Marten for agreeing to be chairman of our Roads Committee. This is a very important committee to all of us. Curt Haney did a great job as the previous Chairman. Thank You, Dan, for taking over the reins, or should I say gravel truck, from Curt.

Thank You for Sharing

I want to personally thank each of you who have contacted me, another Board member, member input, or the office with your ideas or concerns. Thank you to those who spoke up with ideas and concerns at the Board Meeting. Last month, I ask for your feedback and you delivered. I want to assure you that we are keeping a record of every issue and request you make. We will try and get back to you with answers as quickly as possible. Stay tuned for regular updates on issues and concerns you bring to our attention. We are listening.

**Reed West , President
Your Board of Directors**

Emergency 911

Ferry Cell phone (253) 691-1457

(Cell phone to be used for scheduling heavy loads, big vehicles or having something in tow, and for information regarding ferry services.)

Ferry Business

- Call ahead if you are planning to use the ferry for a trailer, boat, or large vehicle!
- Only those guests with valid passes will be allowed on the ferry.
- Plan your arrival at the dock at least 5 minutes before the scheduled time of departure.
- Walks-ons are not to be on the dock or ramp when cars are being loaded. Watch crew for permission to board.
- Only service and delivery people may charge fares.

WE HAVE EXPERIENCED GUESTS AND SERVICE PEOPLE EXPECTING TO COME OVER TO THE ISLAND WITHOUT GUEST PASSES. THIS VIOLATES THE ACCESS POLICY THAT WAS PUT IN PLACE FOR ALL OF OUR SECURITY. PLEASE MAKE SURE YOUR GUEST HAS A VALID GUEST PASS SIGNED BY YOU TO ENSURE THEY ARE ABLE TO RIDE THE FERRY. BLANK GUEST PASSES ARE AVAILABLE TO MEMBERS AT THE OFFICE, BY MAIL, AND ON THE FERRY.

Nondiscrimination Statement

If you wish to file a Civil Rights complaint of discrimination, complete the USDA Program Discrimination Complaint form, found online at:

http://www.ascr.usda.gov/complaint_filing_cust.html

or at any USDA office, or call (866) 632-9992 to request the form. You may also write a letter containing all of the information requested in the form.

Send your completed complaint form or letter to us by mail at:

**U.S. Department of Agriculture
Director, Office of Adjudication
1400 Independence Avenue, SW
Washington, D.C. 20250-9410**

Or fax to (202) 690-7442 or email to

program.intake@usda.gov

Beachcomber news items must be submitted by 5:00 PM on the Wednesday after the monthly Board meeting on the second Saturday of the month. Items MUST be emailed in electronic format to beachcomber@herronisland.org. Include your name and phone number in case any questions arise. Paid advertisements are to be arranged with the HMC office PRIOR TO PUBLICATION.

Island Manager Report July 13, 2019

Administration:

- Thank you to the office staff for taking care of all member requests
- Thank you to the ferry crew for all you do for HMC during this very busy season. The use of two loading lanes with safety cones has now continued after meeting to cover safety concerns.
- Thank you to who Island volunteers fixed a hole in the decking on the island side honey bucket, thank you to: Wayne Snyder and Steve Ohlsen, with assistance Leslie Sanderson, Jim Davies and Joe LaPoint
- USCG preliminary assessment for late inspection in March was responded to and the final ruling of the USCG lowered the penalty to \$1,000.00 vs the original \$8,000.00.
- Thank you to departing Roads Chair, Curt Haney, as he steps down from the committee. Curt and the committee made huge contribution to the island roadways and ditches this past year.
- The Road Committee has new chair, Dan Marten, thank you Dan. Dan will take over the responsibilities this month.

July 3 there was to be an additional deckhand, due to a schedule miscommunication between the office and the crew this did not occur. We understand the frustration with the long wait times at the busiest time of year. Adjustments to our planning have been made to avoid this happening in the future.

Safety alert

Aluminum ladders have been added to the boat docks for emergencies only, please ensure these are not used for jumping on and off the docks. Boat propellers could seriously injure anyone jumping off the docks.

Departments/Committees

Maintenance: Gary Wanzong to report

Parks: Jim Davies to report

Policies: Mike Gage to report

Roads: Curt Haney to report

Water: Charles Smith is out on leave returning in July
Please call Jane Wooster in the office, 253-884-9350 for immediate needs

Rules: One case is open and a hearing scheduled

Legal Liaison: There are 22 delinquencies; 10 with our attorney for action.

August 10th Booster Potluck CANCELLED

Paella Party Instead August 24th

Boosters will be having a Paella Party on August 24th, 6PM, at the Herron Island Community Center

Everyone is asked to bring a salad and or a dessert. Paella will be provided. We will be serving one with seafood and one without.

- For those who do not know, Paella [pä'äyә] is a saffron-flavored dish containing rice, meat, seafood, and vegetables.
- This dish dates back over 1200 years ago to Moorish times in Valencia Spain. Paella means pan "la paella" and is traditionally made by the men of the house.

Allergy Emergencies

In case of severe allergic reaction, CALL 911. And get out your EPINEPHRINE

Severe allergic reaction or anaphylaxis is the body's immune response to common things on Herron Island such as bees, foods, animals, or grasses. Some people know that they have allergies and often carry first aid medications, but anyone can have his first severe allergic reaction at any time. The symptoms start quickly and can get worse very quickly. Signs of anaphylaxis are facial or tongue swelling, shortness of breath, throat tightening, wheezing, blue lips, sweating, abdominal pain, faint or weakness in addition to itch, redness, rash, or hives. Symptoms of mild allergic reaction may be only an itch or hives.

An epinephrine auto-injector or Epi-Pen is administered from a pen-like device with a needle in it. It is used for severe allergic reactions by injecting epinephrine into the outer thigh.

If you have an outdated Epi-Pen and you can't breathe, call 911 and use that old epinephrine while you wait for the 911 team—the ferry, ambulance, or airlift. It won't hurt to use an expired Epi-Pen but it may not be as effective.

An adult dose can be used on an adolescent. If you have an adult dose and your small child cannot breathe, tell 911 you have adult epi and decide with them. No child has ever died from a standard dose epi-pen.

Ouch! If you put your thumb over the wrong end, your thumb gets injected with epi.

Ask your primary care provider to prescribe your new epinephrine auto-injector.

As of 7/9/19, Walgreens sells epinephrine auto-injector two-pack for \$146.99 (\$132.99 with their Prescription Card). Brand Epi-Pen is more expensive; one quote \$447.75.

Even the best response for 911 takes time, especially on an island. Call 911 early.

Your cell phone might roam to another 911 area first. Know your address to tell 911 how to find you. Remind your guests that Herron Island is in Pierce County.

What other emergency medications at home can be used for severe allergic reactions?

- 1. Epinephrine is the drug of choice for anaphylaxis.**
2. Benadryl or generic diphenhydramine is an over-the-counter anti-histamine. (Anti-histamines are also used for minor allergic reaction.)
3. Albuterol. If you have asthma, you probably already use albuterol to help with periodic wheezing. Albuterol can also be used for wheezing from an allergic reaction. (Primatene Mist is an over-the-counter, inhaled, low-dose epinephrine. Your doctor won't recommend it. While it is not approved for use in anaphylaxis, some patients do use it for milder allergic reactions.)

Links to learn more:

Epi-Pen or epinephrine auto injector <https://www.youtube.com/watch?v=dEQNwZojEw4> <https://www.youtube.com/watch?v=FXlqSuzzrws>

Understanding Anaphylaxis <http://www.webmd.com/allergies/understanding-anaphylaxis-treatment>

Airlift Northwest <https://www.uwmedicine.org/airliftnw/aircare> might be activated by 911 dispatch for anaphylaxis since it is life threatening.

article submitted 7/15/2019 by Laurie West, Herron Island member since 2004 and a retired ER doc

Captain's Corner – July 2019

Hello from the Friday afternoon to Monday morning ferry Captain: Joe LaPoint.

Some more recent questions and answers regarding the ferry operation.

The ferry takes 20-30 minutes for a shuttle to return?

The length of time for the ferry to drop off the cars and then return is determined by the amount of vehicles and people and the ease of checking them in on the mainland side. During peak demand times it takes additional time to check in guests, they very often do not understand what they need to do or where they need to go on the island. We would love to shorten that turnaround time and you can help by making sure your guests have passes and that the passes are completely filled out.

And related to the above question...

Is the ferry running slower than normal?

Sometimes when we are not shuttling I run the ferry in a more fuel efficient manner: a bit slower. It adds on 2 minutes to the run (from 7 minutes dock-to-dock: to 9 minutes). Running a bit slower also saves 40 percent of the fuel consumption of a 'normal' run. With the price of fuel going up, I would think that the membership would be tickled to save money. It adds up over time. I do not run the ferry slower during shuttles.

For 911 calls: Wouldn't it be better to come back to the island and pick the person up and transport them to the ambulance?

For any 911 calls, the ferry policy is to get to the mainland and unload vehicles quickly in order to be standing by to transport the 911 assistance requested. The on-duty Captain has full discretion how to best accomplish that. The ferry and crew are not certified, insured, nor trained, to provide the medical stabilization, interventions or monitoring that may be required when someone dials 911. We appreciate your cooperation and patience when the ferry is adjusting operations and standing by to transport emergency personal on, or off, the island. We will resume our normal runs as soon as possible.

Cheers and happy summering!

HERRON ISLAND DIRECTORY

“PAID ADVERTISING”

**** Calling on all islanders. We need your input. ****

The paid advertising section of the HI Member Directory serves two purposes:

- Helps pay for the printing of the directory, and
- Helps residents find contractors, service people and vendors who are willing to come to the island, and who are aware of the ferry schedule, etc. In other words, they want our business.

A half-page ad only costs \$25, and a full-page one is only \$50.

If you have any **suggestions as to whom we might contact**, please give us the name of the company or individual and the phone number (if you have it). We would like to have listings for as many types of services as possible, but we need your help in order to do so. Please email any suggestions and/or information to Robin Kelly at d_kelly@centurylink.net

Please be assured that we do not give advertisers any personal contact information. That section of the directory is for members only.

We are now working on this year's edition of the directory. If you would like to be included, but haven't already sent in or given your information, please send it to Robin at d_kelly@centurylink.net or call her at 253 884-1883.

You can have any or all of the following information included:

Last name, First name(s)

Island Address

Mailing Address

Phone # --home and cell(s)

Email address

We are making every effort to have correct and current information. If you have any updates or corrections to your data, please contact Robin at the above email address. Thank you.

Pet Waste

Pick It Up, Bag It and Put It in the Trash!

Landfills are designed to handle pet waste safely. Yards, trails, roads and parks are not. Please be considerate when walking your dog. Remember to take a bag with you on walks, pick it up and take it home for disposal.

What is the problem with pet waste?

Pet waste is a health risk to people, especially children. It is full of bacteria that can make people sick. Some of these organisms can survive in the soil for years. Children who play in the yard and adults who garden are most at risk of infection. Pet waste contains roundworms, E.coli, giardia and many other microorganisms that can be transmitted to people.

If it's washed through culverts into Puget Sound, the bacteria can end up in fish and shellfish. People who eat contaminated shellfish or drink the water can get very sick.

It's Tansy Time!

Summer is here, bringing with it warmer days, a beautiful array of new flowers, and weeds.

One especially wicked (ob)noxious weed, *Tansy Ragwort*, has made Herron Island its home. Each plant produces 150,000 + seeds and colonizes rapidly. The effort and cooperation made by Herron Island property owners in the control of Tansy Ragwort has steadily increased, and we are making progress!

Field Inspectors from the **Pierce County Noxious Weed Control Board** began **making routine inspections on the Island towards the end of June.**

If Tansy Ragwort plants are discovered on your property, please eradicate them as soon as possible. Any questions concerning Tansy Ragwort, control methods, a list of herbicide spray professionals, or compliance with the Noxious Weed Laws please call the County office at 253-798-7263; or leave a message with the Pierce County Field Inspector call 253-798-6844.

There is a homemade and environmentally friendly way to eradicate Tansy yourself by mixing the following ingredients and spraying the tansy growth. You'll see results in a matter of hours!

1 Gallon Vinegar
2 cups Epson Salt
1/4 Cup Dawn Dish Soap

Just mix and keep some in a small spray bottle. Spray in the morning after the dew has evaporated. Walk away and after dinner the weeds are gone. It will kill anything you spray it on.

The Speed Limit on the island is 15 MPH

That speed limit is imposed for a variety of reasons: Dust control, safety of people, pets, and wildlife, and protection of our fragile roads.

Please respect this limit and let your guests and renters know that we will be enforcing the speed limit. Unfortunately, without members' help HMC is not able to control speeders. Friendly communications is always preferred as a first step, but if all else has failed, members should record the license plate number of the speeding vehicle whenever safely possible and notify the office. Our ferry ticket iPad system records vehicle license plate information for all guests and renters coming to the island. This information can be retrieved and tied back to the member who sponsored the guest.

HMC Rules impose fines up to \$500 for a first offense against the member whose guests were speeding.

HMC wishes to create a safe and peaceful environment for all members and those who visit our shores. Thank you!

Please slow down!

Island Beach Protocol

North Beach and South Beach are the only beaches open to all on Herron Island. All other beaches around the island are privately owned. A long-standing custom on Herron Island has been to allow any member, tenant, or guest to walk along any part of the Island's beaches. Other uses of the private beaches or hillsides, such as digging clams, picking oysters, picnicking, beach fires, etc., are strictly forbidden without the specific permission of the owners of those properties. Any such use without owner permission may constitute a trespass onto private property.

Please respect private property. HMC does not enforce or intervene in matters involving trespass onto private property or vandalism of real or personal property except to the extent that such trespassing or vandalism involves or affects property owned by HMC. HMC does not enforce these types of matters between owners.

RESIDENTIAL FIRE PIT ETIQUETTE

Now that summer is just around the corner, we're dreaming of those balmy evenings with family and friends gathered around our fire pits. The air is full of laughter, shared memories, and the aroma of S'mores. While all this is wonderful, legal, and fun, we need to remember that our "good times" may be a nuisance and, in some cases, a hazard to our neighbors. Here are some simple suggestions so that you can be a "good neighbor" while enjoying your fire pit.

- First, make sure a Burn Ban hasn't been declared by the County or HMC.
- Burn only dry firewood. Generate as little smoke as possible.
- Check the wind direction.
- Notify your neighbors in advance.
- Better yet ... invite your neighbor.
- Be sensitive to the neighbor who may have asthma or other breathing difficulties.
- Even a "hot" fire emits the smell of smoke so consider how frequently you have a fire.

Per the Puget Sound Clean Air Agency, it's always illegal to smoke out your neighbors. If they complain, you are required to put the fire out immediately.

Additionally

- Any outdoor fire must be continuously attended. Abandoning a fire could result in heavy fines.
- Burning of trash is never allowed.

For more details of island and government burning regulations, please checkout the Burn Rules section of our website at www.herronisland.org.

Are You on the List?

HMC now has 395 Member email addresses on the notification list. If you want to get notice of the online Beachcomber, or get the latest on windstorms, power outages, water line breakages, or other news, please send an email to office@herronisland.org and request that your email address be added. To be used for HMC purposes only.

Welcome, New Islanders!

HMC welcomes new Members to Herron Island:

- Robert Axt
- Shannon Teeter
- Theodore & Koren Jez
- Debra Hanby
- Clyde & Deborah McCane

Are Boats Allowed in the Swim Area?

In a word, No! This is a safety issue. The swim area at North Beach is enclosed by orange floats and is designated for swimmers, waders and float toys only. Please do not take your kayak, canoe, or paddle board into this area for the safety of those swimmers. Members are asked to abide by this rule and advise their guests accordingly.

Basic Ferry Safety Rules
Smoking is not permitted.
Marijuana is not permitted.
Open alcoholic beverages are prohibited (RCW 46.61.519)
Passengers must remain behind the safety lines in place across each end of the ferry.
Passengers must remain in vehicles or passenger cabin while ferry is loading/unloading vehicles.
Passengers under the age of 13 must be under adult supervision at all times. Passengers ages 13-17 who are unaccompanied by an adult must remain in the cabin until a crewmember tells them they may leave.
Propane tanks must be shut off and sealed prior to boarding.
Gasoline is allowed in CG/UL-approved portable containers no more than six (6) gallons in size with no signs of deterioration that could affect silt integrity. Containers must be properly secured for transit and cannot exceed a total volume of twelve (12) gallons on any one trip.

Access Policy Main Points
Member vehicles must have a valid HMC Sticker. (If sticker is invalid guest rates apply.)
Guests must provide a completed guest pass to the deckhand/purser, filled out and signed by a Member, to be admitted onto the ferry.
Roundtrip payment is required on the mainland side by cash or check.
Charges to Members can only be authorized for utility, service or delivery services.
A reservation must be made in advance and confirmed by the ferry Captain to transport any combination (in-tow) of any length and/or single vehicles longer than 25 feet.
Maximum gross weight is 40,000 pds.
Maximum vehicle length is 60 feet.

Loading/Unloading Procedures
Speed limit on the ramps and boat is 5 MPH.
Follow all directions given by crew.
Set parking break and turn off engine when loaded.
Do not start engine until directed by the crew.
Turn off all vehicle lights while on the ferry, ramp or pier during loading and/or unloading.
To load vehicles proceed to the concrete pier when light turns green. Proceed one vehicle at a time down the wooden ramp and wait at bottom until directed by crew to drive onto the ferry. Follow instructions of crew where and when to park.
To exit the ferry restart your engine and release parking break only when directed by crew. Exit ferry as directed by crew.
Foot passengers may not board when light is green. Passengers are to remain in cabin when ferry is docking or at dock.

Boarding/Shuttling
Ferry crew may begin boarding 10 minutes prior to scheduled departure.
Vehicles/passengers must arrive no later than five minutes before the scheduled departure time to ensure a place either on the current run or a shuttle.
Vehicles/passengers arriving after the five minute cutoff time are not assured a place either on the current run or shuttle.
If additional vehicles/passengers arrive after the cutoff and prior to the final shuttle departure they will only be accommodated as space permits on the shuttle. Any remaining vehicles must wait until the next scheduled run.
The ferry may not make shuttle runs if the ferry crew reach legal work hour limits. Some shuttles may not be made to assure the ferry crew gets required breaks.

Holiday Restrictions
Combinations (in-tow) of any length and/or single vehicles longer than 25 feet will not be transported after noon, the Thursday before Memorial and Labor Day holiday weekends. Restriction dates will be posted for the Independence Day holiday.

Ferry Cell Phone
253-691-1457
Call the ferry to schedule heavy loads, when towing vehicles and any vehicle longer than 25 feet. Confirmed reservation is required by the ferry Captain prior to loading.

Member Responsibility
Members are responsible for their guests actions at all times and to assure a completely filled out guest pass is issued to their guest prior to the guest arriving at the ferry.
