FOR ISLAND INFORMATION VISIT
www.herronisland.org

Welcome to Herron Island

We hope that your stay with us is safe and memorable. Although our ferry is privately owned, we also follow United States Coast Guard regulations in addition to our own while operating a vessel. Please take a moment to review these regulations and procedures.

Access Policy

- Other than emergency and utility vehicles, all vehicles must have a valid HMC sticker or guest pass to be admitted onto the ferry.
- Round-trip payment by cash, check, or coupon is required on the mainland side.
- Charges to members may only be made by service and delivery personnel.
- Emergency and utility vehicles will be transported at no charge.
- Arrangements must be made in advance to transport combinations of any length and single vehicles longer than 25 feet.
- Combinations of any length and single vehicles longer than 25 feet will not be transported after 12pm, Thursday during holiday weekends. Contact the office for details.
- Travel trailers and motor homes must obtain a certificate from the office prior to being transported to the island.
- Maximum gross weight is 40,000 lbs and maximum vehicle length is 60 feet. Advance scheduling is required.

Loading Procedures

- The speed limit on the pier and dock is 5 mph.
- Cell phone use during ferry loading or unloading is prohibited.
- During hours of darkness, there are to be no lights on a vehicle save for parking lights while on the ferry, ramp, or pier during loading or unloading. This is to prevent the crew from being blinded.
- When the light turns green, proceed across the concrete pier to the top of the wooden ramp.
- When clear of other traffic, one car at a time proceeds to the bottom of the ramp and awaits further directions from a crewmember.
- Proceed to your parking spot when directed by a crewmember.
- Set your parking brake and shut off your motor.
- Remain in your vehicle until the ramp gate is closed and return once the ferry begins maneuvering to dock.
- When exiting the ferry, do not restart your motor *until* directed to do so by a crewmember.
- Foot passengers shall not board during loading/off loading of vehicles and shall remain within the ferry cabin until directed by a crewmember.

Safety Rules

- Smoking is not permitted inside or outside vehicles.
- Gasoline is allowed only in the internal tank of a vehicle or boat or in a maximum of two Coast Guard approved outboard motor fuel tanks with a capacity of up to 6 gallons each.
- Propane tanks must be shut off and sealed prior to boarding.
- Passengers must remain behind the safety lines in place across each end of the ferry.
- Passengers under the age of 13 must be under adult supervisions at all times. Passengers ages 13-17 who are unaccompanied by an adult must remain in the cabin until a crewmember advises them that they may leave.
