

**HMC Management
Island Manager Report
Board Meeting
June 9, 2007**

Administration

- For Board discussion: Beachcomber not to be placed online until it has been printed.
- For Board discussion: prohibiting the use of HMC Management as a return address on privately-mailed correspondence.
- For Board discussion: prohibiting the use of Board Candidate applications for campaigning for other candidates.
- For Board discussion: requiring groups using the Community Building, including the Boosters, to designate a person or persons responsible for cleanup.
- A resolution naming two trustees for the American Century 401(k) is required.

Parks

- The Parks maintenance person recommends purchase of a leaf blower.

Land Use

- The property transfers between HMC and the owners of the lot adjacent to the Community Building have been completed.

Rules

- Rules complaints regarding speeding and reckless operation of vehicles over the Memorial Day weekend were received at the office.

Transportation

- Recommendation: contract for generator wiring at three locations.
- The Department of Ecology contacted HMC and suggested that we continue with efforts to have a substitute fueling plan approved, even though our fuel supplier has not been heavily involved in getting a plan together.

Water

- Information gathering regarding the new water system project continues.

Roads

- We now plan to have a bargeload of gravel delivered in the fall.
- Dick Mowry has completed seasonal maintenance on the watering truck.
