

B.O.O.S.T.E.R.S.

Band of Obviously Super, Terrifically Enthusiast Recreation Supporters

Herron island BOOSTERS met and enjoyed the true spirit and purpose of the group with lots of fun, laughter, conversations, good food and good friends. The potluck was exceptional; a seven course gourmet meal that somehow “just happens” with no assignments or planning. A great group that loves to share!

BOOSTERS TREASURER’S REPORT: \$7,548.14 in the bank. We took in \$1,500 during Memorial Weekend Activities and Apparel Sales.

New Officers are required for the BOOSTERS. Two members can share each position - President, Secretary, and Treasurer. All members are asked to seriously consider taking over one of the positions by September 2015.

BOOSTERS raised funds during the last year’s events and voted to spend up to \$4,000 to purchase benches for the North Beach areas and for Goodpastor Park. We have prices and shipping costs from back East. Judy Greinke will check some local distributors to make sure we are getting the best price and same quality as in the past: expanded metal with thermoplastic coating.

Lynn Ritchie made a generous offer to help us increase the inventory of our Herron Island Treasures and Apparel. Members present voted to keep with the inventory we have for now because everyone is already committed to doing their jobs for this year. We will take advantage of Lynn’s expertise in merchandising and hopefully she can get the items ordered and set up for next spring sales in 2016.

We are adding reversible vests year and also got more HI Stickers to be sold over the 4th of July weekend.

Mark and Jena Anderson will organize a Herron Island Photo Contest inviting people to send in their favorite photos of Herron Island. They will collect the pictures throughout the year with an eventual goal of awarding the “People’s Choice” and also producing a Herron Island Calendar showing a variety of member’s photos and to be sold by the Boosters.

Mark Anderson also suggested publishing a “Welcome to HI” flyer that could be included in the new Member’s packet from the Office. This flyer would explain the purpose and some of the activities of the BOOSTERS.

4th of July Activities Schedule: Friday 12:00 – members will meet at Community Center and move apparel, tables, plates, coffee pot, microwaves etc. down to North Beach Storage to be set up on Saturday morning July 4th. Friday evening – Music in the Park by the Sander’s Family.
