

VOLUNTEERING AT ITS BEST

1st Annual HMC Roads Work Party

The 1st Annual HMC Roads Works Party happened on Saturday, June 22, 2013. It was a perfect day to tackle the ambitious agenda whose primary goal was to improve intersection visibility by removing overhanging limbs and cleaning ditches. **And what a turnout!!** Thirty-two (32) volunteers showed up and pitched in from 8:30 am to 12:00 pm. Hundreds and hundreds of pounds of debris were cut, weed-whacked, pulled, and loaded into waiting trucks which were then delivered to the Community Center parking lot where volunteers worked until 6:00 pm to feed and supervise a controlled fire that was Fire District 16 approved. Rocks were collected and distributed to certain areas creating impressive erosion control where there was none before. Unsightly green straps remaining from the installation of the new water system were found and removed. And when all was said and done, the volunteers were treated to a fabulous pizza lunch paid for by the BOOSTERS. The intersections improved were: E. Madrona/Maple, W. Yew/W. Madrona, W. Herron/W. Madrona, Herron Lane/W. Herron and the entrance to the Single Lane Road. You are encouraged to travel around the island to see the amazing work that was done. And when you see one of the people listed below, please take a moment to thank them for all of their hard work. When calculated out, HMC saved \$2910.30 that would have otherwise gone to a contractor and ultimately paid by you through your annual assessment.

Our amazing volunteers were (in no particular order):

Jack Wells (Work Party Leader), Dana Gruber (Work Party Leader), Steve Kramer, Andy Anderson, Judy Greinke, Don Greinke, Kathy Deuster, Jan O'Conner, Kim Oh, Scott Sloan, Eric Bergson, Merry Kogut, Wally Semon, Richard Evans, Mike Graham, Dallas Amidon, Ernie Shreve, Robin Kelly, Don Kelly, Janet Podell, Tracy Anspach, Bob Garcia, Terrill Chilson, John Farris, Pat Zazzo, Paula Trent, Richard Urfer, Terry Kraft (in between operating the ferry), Mike Shettlesworth, Mike Thynes, Ferd Reichlin, and Ferd Reichlin's Son-in Law.
