

Minutes Herron Island Boosters

April 9, 2022

Robin K called the meeting to order. Joyce M mentioned everyone could read the minutes of the last meeting on the website if they are there. Lisa M gave us the treasurer's report. The rest of the meeting covered all the places that **volunteers** are needed to keep our island afloat.

Parks Work Party

April 30 will be a great day to **volunteer** for a Parks Work Party starting at 9am. Tracy A is organizing the following projects:

Distributing chips along the pathway of the New Nature Park pathways.

Building the kayak racks down at North Beach.

Painting the Pavilion down at North Beach.

Other work at the parks per Tracy's direction. Contact him to let him know how you'd like to **volunteer**.

Boosters will be supplying lunch and need your help. Contact Robin if you'd like to **volunteer** to with this event or organize it! We will get everyone working on the projects a delicious lunch. Yet another reason to **volunteer**!

Memorial Day Weekend

Saturday Night

Dancing with live music down at the Pavilion on North Beach in the evening. We are looking for an uber boat to take the band back to the mainland when they finish playing. If you are game to volunteer your boat to transport the band, let Joyce know asap.

Decorations If you enjoy decorating, **volunteer** to decorate the pavilion!

Sunday Morning

Apparel sales – Merry K will be organizing sales of Island swag for Sunday morning with her team of helpers. Susanne and Karen volunteered to help with sales with a friendly sister competition for high sales! Contact Merry to find out how you can **volunteer** to help.

Rolls and Coffee- A helper is needed to set this up and organize it. Ready to **volunteer**?

Sunday afternoon

Baseball and Pickleball – Ted Jensen oversees these activities. Contact Ted if you want to **volunteer** to help him?

Sunday evening

The Memorial Day Lantern Ceremony is held at sundown. John & Sharon Lischich supply the beautiful lanterns that are released in the water to honor those who fought for our freedom and lost their lives. Diane will have music before we release the lanterns into the water. **Volunteer** kayakers are needed to pick up the lanterns before they head out to sea as they are not biodegradable. Karen B and Mike volunteered, and we need a couple more. Let Joyce know if you want to help with this.

Monday morning

Join Mike S at the flagpole at North Beach to raise the flag in honor of Memorial Day. Come down at 8 am. They will play taps as the flag is raised.

Things to look forward to

Our spectacular 4th of July events....Labor Day
Weekends...and other new events as new ideas are
created.

The meeting was adjourned.
