

## Planning to Vote?

## A member recently sent this note:

Since there's a possibility of the ferry outage preventing us from voting, I contacted Pierce County Elections and had them send me a "Special Ballot" early. Their email address is PCELECTIONS@co.pierce.wa.us. You might want to send an email blast to anyone staying on the island, and remind them they need to make this request now, or risk missing the vote.

Thanks to this Member for the "heads up".
